Region 2J Cabin Fever Breakout

Cabin Fever Breakout has been held for 15 years, starting in 1993. It was started by the members of Abate Region 2J as the primary party/fund-raiser for the region. The Cabin Fever name was borrowed from an event in Southern WI where some of our members had lived before moving here. The region was new and some of the founding members like Bean, Pope, the Harrison's and Scott Carlsen, along with others put the 1st Annual party together. Bikers from all over came to that first party looking for a good time and they weren't disappointed. Since then the party has been held at several locations and different weekends, but it always featured a poker run, Bands, good food and camping. So, throw that sleeping bag on the bike and come on down May 12th for a real good time.
