A blind man wanders into an all girls biker bar by mistake. He finds his way to a bar stool and orders some coffee. After sitting there for a while, he yells to the waiter, "Hey, you wanna hear a blonde joke?"

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, "Before you tell that joke, sir, I think it's only fair, since you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6 foot tall, 175 lb. Blonde with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weightlifter.
5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, Mister. Do you still wanna tell that joke?"

The blind man thinks for a second, shakes his head, and mutters,

"No...not if I'm gonna have to explain it five times."

A teacher was doing a study testing the taste senses of first graders, using a bowl of Lifesavers.

The children began the study and as they received a Lifesaver candy responded;

"Red.....cherry,"

"Yellow.....lemon,"

"Green.....lime,"

" Orangeorange,"

Then the teacher gave each of them a honey Lifesavers. After eating the candy, it was obvious most of the kids were not familiar with honey and none of the children could identify the taste.

"Well," she said; "I'll give you all a clue; it's what your mother may sometimes call your father."

One little girl looked up in horror, spit out the remains of her Lifesaver and screeched; "Oh My God!!!! They're assholes!"

This morning on the Interstate, I looked over to my left and there was a Woman In a brand new Cadillac Doing 65 mph With her Face up next to her Rear view mirror Putting on her eyeliner.

I looked away For a couple seconds And when I looked back she was Halfway over in my lane, Still working on that makeup.

As a man, I don't scare easily. But she scared me so much; I dropped My electric shaver, Which knocked The donut Out of my other hand.

In all The confusion of trying To straighten out the car Using my knees against The steering wheel, it knocked my cell phone away from my ear which fell into the coffee between my legs, splashed, and burned Big Jim and the Twins, ruined the damn phone, soaked my trousers, and disconnected an important call.

Damn women drivers

HUMOR

A drunken cowboy lay sprawled across three entire seats in the posh Amarillo Theater.

When the usher came by and noticed this, he whispered to the cowboy, "Sorry, sir, but you're only allowed one seat."

The cowboy groaned but didn't budge. The usher became more impatient: "Sir, if you don't get up from there I'm going to have to call the manager."

Once again, the cowboy just groaned. The usher marched briskly back up the aisle, and in a moment he returned with the manager. Together the two of them tried repeatedly to move the cowboy, but with no success.

Finally they summoned the police.

The Texas Ranger surveyed the situation briefly then asked, "All right buddy, what's your name?"

"Sam," the cowboy moaned.

"Where y'all from, Sam?" asked the Ranger.

With terrible pain in his voice, and without moving a muscle, Sam replied,

"... the balcony..."

A blonde had just totaled her car in a horrific accident. Miraculously, she managed to pry herself from the wreckage without a scratch and was applying fresh lipstick when the state trooper arrived.

"My God!" the trooper gasped. "Your car looks like an accordion that was stomped on by an elephant. Are you OK ma'am?"

"Yes, officer, I'm just fine!" the blonde chirped.

"Well, how in the world did this happen?" the officer asked as he surveyed the wrecked car.

"Officer, it was the strangest thing!" the blonde began. "I was driving along this road when from out of >>> nowhere this TREE pops up in front of me. So I swerved to the right, and there was another tree! I swerved to the left and there was ANOTHER tree! I swerved to the right and there was another tree, swerved to the left and there was ..."

"Uh, ma'am," the officer said, cutting her off. "There isn't a tree on this road for 30 miles. That was your air freshener swinging back and forth."
