A dog lover, whose dog was a female in heat, agreed to look after her neighbors' male dog while they were away on vacation. She had a large house and believed that she could keep them apart. But as she was drifting off to sleep she heard awful howling and moaning sounds. She rushed downstairs to find the dogs locked together, in obvious pain and unable to disengage, as so frequently happens when dogs mate.

She was unable to separate them and didn't know what to do. Although it was the middle of the night, she called the vet, who answered in a very grumpy voice. She explained the problem to him. The vet said, "Hang up the phone and place it down alongside the dogs. I will then call you back and the noise of the ringing will make the male lose his erection and he'll be able to withdraw."

"Do you really think that will work?" she asked.
"It just worked for me," he said and hung up.

Two girlfriends were speeding down the highway at well over a 100 mph. "Hey" asked the brunette at the wheel, "See any cops following us" ?

The blonde turned around for a long look. "As a matter of fact.....I do!" "Oh NOOOOOOOO" yelled the brunette ! Are his flashers on?

The blonde turned around again. " YUP... NOPE... YUP... NOPE ... YUP."

Jones came into the office an hour late for the third time in one week and found the boss waiting for him. "What's the story this time, Jones?" he asked sarcastically. "Let's hear a good excuse for a change."

Jones sighed, "Everything went wrong this morning, Boss. The wife decided to drive me to the station. She got ready in ten minutes, but then the drawbridge got stuck. Rather than let you down, I swam across the river -- look, my suit's still damp -- ran out to the airport, got a ride on Mr. Thompson's helicopter, landed on top of Radio City Music Hall, and was carried here piggyback by one of the Rockettes."

"You'll have to do better than that, Jones," said the boss, obviously disappointed. "No woman can get ready in ten minutes."

A Rabbi parked his car in a no-parking zone in a large city because he was short of time and couldn't find a space with a meter.

Then he put a note under the windshield wiper that read: "I have circled the block 10 times. If I don't park here, I'll miss my appointment. Forgive us our trespasses."

When he returned, he found a citation from a police officer along with this note "I've circled this block for 10 years. If I don't give you a ticket I'll lose my job.

Lead us not into temptation."

I took my wife to a restaurant.

The waiter, for some reason, took my order first.

"I'll have the rump steak, rare, please."

He said, "Aren't you worried about the mad cow?"

"Nah, she can order for herself."

And that's when the fight started.....

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the shed, the boat, making beer.. Always something more important to me. Finally she thought of a clever way to make her point.

When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute, and when I came out again I handed her a toothbrush. I said, "When you finish cutting the grass, you might as well sweep the driveway."

The doctors say I will walk again, but I will always have a limp.

A fifteen year old Amish boy and his father were in a mall. They were amazed by almost everything they saw, but especially by two shiny, silver walls that could move apart and then slide back together again.

The boy asked, 'What is this Father?'

The father (never having seen an elevator) responded, 'Son, I have never seen anything like this in my life, I don't know what it is.'

While the boy and his father were watching with amazement, a fat old lady in a wheel chair moved up to the moving walls and pressed a button. The walls opened, and the lady rolled between them into a small room. The walls closed and the boy and his father watched the small numbers above the walls light up sequentially.

They continued to watch until it reached the last number and then the numbers began to light in the reverse order.

Finally the walls opened up again and a gorgeous 24-year-old blond stepped out.

The father, not taking his eyes off the young woman, said quietly to his son.....

'Go get your Mother'

A man was just waking up from anesthesia after surgery, and his wife was sitting by his side. His eyes fluttered open and he said, 'You're beautiful.' Then he fell asleep again.

His wife had never heard him say that before, so she stayed by his side. A few minutes later his eyes fluttered open and he said, 'You're cute.' The wife was disappointed because instead of 'beautiful,' it was now 'cute.' She asked, 'What happened to beautiful?'

The man replied, 'The drugs are wearing off.'

Q. Why is a conductor like a condom?

A. It's safer with one, but more fun without.
