here at Windy City HD like Linda Jo Giovanonni, Motorcycling Hall of Fame inductee and co-founder of "Harley Woman" magazine and we have the original Chicago Greaser, Gennaro Sepe who writes for "The Horse Backstreet Choppers" and we also have Chris Clair who writes for and edits "Tread Lines" the soon-to-be celebrated Oak Park HOG newsletter. The Windy City group is crawling with creative types and I hope our sights get set a little higher, like three quarters up a sheer rock face cliff with dangerous fantastic vistas, rather than some little mound of manure like Quick Throttle, although I do like some of their covers, it's really just a waste of pulp.
