Two guys are moving about in a supermarket when their carts

collide.

The first one says to the other, "Sorry about that, I'm looking for my wife and I guess I wasn't watching where I was going."

The second guy says, "What a coincidence, I'm looking for my wife too, and I'm getting a little desperate."

The first guy says "Well, maybe I can help you. What does your wife look like?"

The second guy answers, "She's tall, with red hair, wet blue eyes, long legs, big firm breasts, and a tight butt. What does your wife look like?"

To which the first guy replies, "Never mind, let's look for yours."

Darts and Pool

An elderly couple who were childhood sweethearts had married and settled down in their old neighborhood and are celebrating their sixtieth wedding anniversary. They walk down the street to their old school. There, they hold hands as they find the old desk they'd shared and where he had carved "I love you, Sally."

On their way back home, a bag of money falls out of an armored car practically at their feet. She quickly picks it up, but they don't know what to do with it so they take it home.

There, she counts the money, and it's fifty thousand dollars.

The husband says, "We've got to give it back."

She says, "Finders keepers." And she puts the money back in the bag and hides it up in their attic.

The next day, two FBI men are going door to door in the neighborhood looking for the money and show up at their home.

They say, "Pardon me, but did either of you find any money that fell out of an armored car yesterday?" She says, "No." The husband says, "She's lying. She hid it up in the attic."

She says, "Don't believe him, he's getting senile."

But the agents sit the man down and begin to question him. OK he says, "Tell us the story from the beginning."

The old man says, "Well, when Sally and I were walking home from school yesterday..."

The FBI guy looks at his partner and says, "We're outta here..."

A husband and wife are getting ready for bed. The wife is standing in front of a full length mirror taking a hard look at herself. "You know love," she says, "I look in the mirror and I see an old woman. My face is all wrinkled, my boobs are barely above my waist, my butt is hanging out a mile. I've got fat legs and my arms are all flabby." She turns to her husband and says, "Tell me something positive to make me feel better about myself."

He thinks about it for a bit and then says, "Well... there's nothing wrong with your eyesight."

Through the pitch-black night, the captain sees a light dead ahead on a collision course with his ship. He sends a signal:

"Change your course ten degrees east."

The light signals back: "Change yours, ten degrees west."

Angry, the captain sends: "I'm a Navy captain! Change your course, sir!"

"I'm a seaman, second class," comes the reply.

"Change your course, sir."

Now the captain is furious. "I'm a battleship! I'm not changing course!"

There's one last reply. "I'm a lighthouse. Your call."

A man kills a deer and takes it home to cook for dinner. Both he and his wife decide that they won't tell the kids what kind of meat it is, but will give them a clue and let them guess. The dad said, "Well it's what Mommy calls me sometimes." The little girl screamed to her brother, "Don't eat it. It's an asshole!"

HUMOR

An elderly woman comes home and finds her daughter in bed with a vibrator. She screams at her, "What are you doing?"

The daughter says, "Mom, I'm 40 years old, I'm not married and I don't have a date. Give me a break!"

The mother shakes her head and leaves.

The next day, the father walks in on the daughter and finds the same thing. He screams, "What's going on here?"

The daughter says the same thing to him, he shakes his head and leaves.

That night, the mother comes into the kitchen and finds the father sitting at the table, a beer in one hand and the vibrator in the other. She says, "What on earth are you doing with that?"

The father sits back and replies, "Hey, leave me alone, can't a guy have a beer with his son-in-law?"

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, 'Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face.'

'Yes,' the class said.

'Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?'

A little fellow shouted,

'Cause your feet ain't empty.'
