"Chow Time"

Every time I'm in the northwoods and have a hankering for a bite to eat, I stop in at the While-A-Way Bar and Grill in Tomahawk WI for one of their soft shell taco's. These tacos are HUGE! A tortilla shell loaded with all the trimming, served with a zesty flavored salsa that is to die for, and a fork (you will need the fork, trust me). It is a great deal for \$2. Bob and Beth's While-A-Way serves plenty of other great food, but for this guy the soft shell taco is the one for me.

Do you know of a great place to grab a bite to eat or a mouth watering recipe that others might enjoy, e-mail me at preacher@freeriderspress.us.
