House of Harley Bike Show

Jan 14 & 15th

I was able to attend the the House of Harley Bike Show for the first time. I stopped over at the House of Harley Bike show (63rd and Layton) Milwaukee, WI and checked out the nice rides (43) in all. For the 2 day show it stayed rather busy with music and a big sale. Congrats to the winners including Judges Choice 1st Place to Richard Pollack, Spectators Choice Best in Show 1st Place and Oldest bike in show going to Joe Bohaczek, Best Paint to DD Custom along with many other winners. Great job to all the bikes that showed up and the staff at House of Harley on another event well done. www.houseofharley.com

Speed's Greg White Honored with First-Ever AMA Award

The American Motorcyclist Association (AMA) has announced that Greg White, host of SPEED's "2 Wheel Tuesday" program, has been honored with the 2006 AMA Award for Media & Reporting. The presentation, made by AMA Vice President for Government Relations Edward Moreland, took place in Charlotte, North Carolina during today's production of "2 Wheel Tuesday." It also was the first of the new "AMA Awards," which will recognize significant contributions to American motorcycling.

A native of Boston, Massachusetts, White has been an avid motorcyclist since the age of 18. From 1997 through 2002, he worked as feature talent, producer and editor on numerous SPEED programs -- all while competing as an AMA Superbike Championship privateer. His active involvement in road racing continued into 2003, when he raced BMW BoxerCup events at Daytona and in Europe, as well as competing as a Yamaha factory rider in the AMA Supersport Championship. He's appeared as SPEED's AMA Superbike pit reporter since 2002 and has hosted "2 Wheel Tuesday" since 2003. "Greg's most valuable contribution is that he introduces his viewers to people and places throughout the motorcycling community -- from street to off-road, from recreation to competition," said Patricia DiPietro, AMA Chief Executive Officer. "The AMA is pleased to recognize him not only for his excellent coverage, but also for helping to expand the definition of 'American motorcycling.'"

The AMA Awards are bestowed by the AMA Board of Directors; the recipient of the 2006 AMA Award for Public Service will be announced in the coming weeks. For a complete history of AMA honors and awards, visit www.amadirectlink.com/whatis/awards.asp.
