We are there because biking is part of our lifestyle [I have been riding 40 years - the first bike I rode was my brother's old BSA (carry extra plugs) bike].

Jesus wants to change your life on the inside ... it's up to you if you want to change the outside.

If you have any questions please contact me at iron.disciples@charter.net or call me at 715.726.1833 [if you are a man, either I or a brother will get back to you; if you are a woman, a sister will get back to you]. We care about you. We're here if you need us.
