

Road Runners '07 Blessing in Milw.

Welcome to one of my favorite events of the year. The Road Runners 23rd Annual Bike Blessing is coming up fast and as usual I plan on attending this year like clock work

One thing that I like about this event is that it is on a Sunday. (Yes you read it right) A Sunday event that draws thousands of people. Is there beer included? Yes. Is there vendors? Yes. Is there music? Again Yes. Everybody has a great time. The weather is unpredictable at that time of year as we all know, but to start the riding season off in my mind, this is the perfect event. Short, sweet and to the point while not competing with a dozen other events. Keep up the good work Brothers. See you May 4th.

Sunday morning came so soon, the main purpose of this ride had arrived, the film crew from yesterday met us at the motel. They rode along to the Pentagon parking lot where we met up with in excess of 500 thousand motorcycles assembled to be part of a parade to protest the treatment of America's prisoners of war and missing in action. The first bikes rolled out four abreast at noon, the last bikes about four and a half hours later.

On Monday morning the chase truck headed for home, anyone could travel along. However, many people took this opportunity to see other sites on our eastern seaboard. If this sounds like something you'd like to experience, give us a call at 1-414-342-1000/1-800-486-0106, ask for Ken (Polack), Sue (Squirrel), or Steve (hasn't earned a road name yet).
