A biker is riding by the zoo, when he sees a little girl leaning into the lion's cage. Suddenly, the lion grabs her by the cuff of her jacket and tries to pull her inside to slaughter her, under the eyes of her screaming parents. The biker jumps off his bike, runs to the cage and hits the lion square on the nose with a powerful punch. Whimpering from the pain the lion jumps back letting go of the girl, and the biker brings her to her terrified parents, who thank him endlessly.

A reporter has seen the whole scene, and addressing the biker, says, "Sir, this was the most gallant and brave thing I saw a man do in my whole life."

"Why, it was nothing, really, the lion was behind bars. I just saw this little kid in danger, and acted as I felt right." "Well, I'll make sure this won't go unnoticed. I'm a journalist, you know, and tomorrow's paper will have this on the first page. What motorcycle do you ride?" "AHarley Davidson."

The journalist leaves. The following morning the biker buys the paper to see if it indeed brings news of his actions, and reads, on first page:

Bubba died in a fire and his body was burned pretty badly. The morgue needed someone to identify the body, so they sent for his two best friends, Cooter and Gomer. The three men had always done everything together. Cooter arrived first, and when the mortician pulled back the sheet, Cooter said, "Yup, his face is burned up pretty bad. You better roll him over." The mortician rolled him over and Cooter said, "Nope, ain't Bubba." The mortician thought this was rather strange. So he brought Gomer in to confirm the identity of the body. Gomer looked at the body and said, "Yup, he's pretty well burnt up. Roll him over." The mortician rolled him over and Gomer said, "No, it ain't Bubba." The mortician asked, "How can you tell?" Gomer said, "Well, Bubba had two assholes." "What? He had two assholes?" asked the mortician. "Yup, we never seen 'em, but everybody used to say, 'There's Bubba with them two assholes. "

I rear-ended a car this morning. So there we are alongside the road and slowly the driver gets out of the car... and you know how you just-get-soooooo-stressed and life-stuff seems to get funny?

Yeah, well, I could NOT believe it...?..

He was a DWARF!

He storms over to my car, looks up at me and angrily says, "I AM NOT HAPPY!"

So, I look down at him and say, "Well, then which one are you?"

That's when the fight started.....

A man doing market research knocked on a door and was greeted by a young Woman with three small children running around at her feet.

He says, "I'm doing some research for Vaseline. Have you ever used the product?"

She says, "Yes. My husband and I use it all the time."

"And if you don't mind me asking, what do you use it for?"

"We use it for sex."

The researcher was a little taken back. "Usually people lie to me and say that they use it on a child's bicycle Chain or to help with a gate hinge. But, in fact, I know that most people do use it for sex. I admire you for your honesty. Since you've been frank so far, can you tell me exactly how you use it for sex?"

The woman says, "I don't mind telling you at all. My husband and I put it on the door knob and it keeps the kids out."

A lady goes to the bar on a cruise ship and orders a Scotch with two drops of water.

As the bartender gives her the drink she says, "I'm on this cruise to celebrate my 80th birthday and it's today.."

The bartender says, "Well, since it's your birthday, I'll buy you a drink. In fact, this one is on me"

As the woman finishes her drink, the woman to her right says, "I would like to buy you a drink, too."

The old woman says, "Thank you. Bartender, I want a Scotch with two drops of water."

"Coming up," says the bartender.

As she finishes that drink, the man to her left says, "I would like to buy you one, too."

The old woman says, "Thank you. Bartender, I want another Scotch with two drops of water."

# HUMOR

"Coming right up," the bartender says.

As he gives her the drink, he says, "Ma'am, I'm dying of curiosity.

Why the Scotch with only two drops of water?"

The old woman replies, "Sonny, when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue."

My wife and I were sitting at a table at my high school reunion, and I kept staring at a drunken woman swigging her drink, as she sat alone at a nearby table.

My wife asks, "Do you know her?"

"Yes," I sighed. "She's my old girlfriend. I understand she started drinking right after we split up those many years ago, and I hear she hasn't been sober since."

"My God!" says my wife. "Who would think a person could go on celebrating that long?"

So you see, there really ARE two ways to look at everything.....
