

South shore of Superior

Road Trippin'

We had a great road trip traveling west to the Mississippi River and north to Lake Superior along the south shore to Mackinaw City, Michigan. From there we traveled south along the east shore of Lake Michigan to Ludington and took the ferry across to Manitowoc, WI. We got sprinkled on once and didn't even have to put on rain gear but it was very warm (in the 90's) all week long. We swam in Lake Superior and Lake Huron to cool off. We saw a lot of beautiful country and met a lot of very nice people. We exchanged email addresses with a couple from Lansing, Michigan whom we met on the ferry on their way to Sturgis, SD.

The Mackinaw Bridge

We put on over 1,700 miles in seven days and can't wait to go on another road trip soon. We didn't have any problems with the bikes and we all got along great. We hope you enjoy the pictures.

Love, Ron and Kathy
