A man and a woman who had never met before, but who were both married to other people, found themselves assigned to the same sleeping room on a trans-continental train. Though initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1:00 AM, the man leaned down and gently woke the woman saying,..... 'Ma'am,

I'm sorry to bother you, but would you be willing to reach into the closet to get me a second blanket? I'm awfully cold.'

'I have a better idea,' she replied 'Just for tonight,..... let's pretend that we're married.'

'Wow!.....That's a great idea!', he exclaimed..

'Good,' she replied.'Get your own damn blanket.' After a moment of silence,he farted.

A guy walked into the local welfare office to pick up his check. He marched straight up to the counter and said, "Hi. You know...., I just HATE drawing welfare. I'd really rather have a job."

The social worker behind the counter said, "Your timing is excellent. We just got a job opening from a very wealthy old man who wants a Chauffeur and bodyguard for his beautiful daughter. You'll have to drive around in his 2008 Mercedes-Benz CL, and he will supply all of your clothes. Because of the long hours, meals will be provided. You'll also be expected to escort the daughter on her overseas holiday trips. This is rather awkward to say but you will also have as part of your job assignment to satisfy her sexual urges as the daughter is in her mid-20's and has a rather strong sex drive."

The guy, just plain wide-eyed, said, "You're bullshittin' me!"

The social worker said, "Yeah, well ... You started it."

My wife and I were watching "Who Wants To Be A Millionaire" while we were in bed. I turned to her and said, "Do you want to have sex?"

"No," she answered.

I then said, "Is that your final answer?"

She didn't even look at me this time, simply saying, "Yes."

So I said, "Then I'd like to phone a friend."

And then the fight started....

While I was flying down the road yesterday (only 15 mph over), I noticed a

cop with a radar gun sitting on top of a bridge. Naturally, he pulled me over, walked up to the car and asked me, "What's the hurry?"

I replied, "I'm late for work."

"Oh yeah," said the cop. "What do you do?"

"I'm a rectum stretcher," I responded.

The cop said, "What?... A rectum stretcher? What does a rectum stretcher DO?"

I said, "Well, I start with one finger, then I work my way up to two fingers, then three, then four, then my whole hand. Then I work until I can get both hands in there, and then I slowly stretch it until it's about 6 foot wide."

The cop asked me, "What the hell do you do with a 6 foot ass hole?"

I simply replied, " You give him a radar gun and park him on top of a bridge....."

In Florida, an atheist created a case against the upcoming Easter and Passover Holy days. He hired an attorney to bring a discrimination case against Christians and Jews and observances of their holy days. The argument was that it was unfair that atheists had no such recognized days.

The case was brought before a judge. After listening to the passionate presentation by the lawyer, the judge banged his gavel declaring, "Case dismissed!"

The lawyer immediately stood objecting to the ruling saying, "Your honor, How can you possibly dismiss this case? The Christians have Christmas, Easter and others. The Jews have Passover, Yom Kippur and Hanukkah, yet my client and all other atheists have no such holidays."

The judge leaned forward in his chair saying, "But you do. Your client, counsel, is woefully ignorant."

The lawyer said, "Your Honor, we are unaware of any special observance or holiday for atheists."

The judge said, "The calendar says April 1st is April Fools Day. Psalm 14:1 states, 'The fool says in his heart, there is no God.' Thus, it is the opinion of this court, that, if your client says there is no God, then he is a fool. Therefore, April 1st is his day. Court is adjourned."

You gotta love a Judge that knows his scripture!

HUMOR

A man and his wife were awoken at 3:00 am by a loud pounding on the door. The man gets up and goes to the door where a drunken stranger, standing in the pouring rain, is asking for a push.

"Not a chance," says the husband, "it is 3:00 in the morning!" He slams the door and returns to bed.

"Who was that?" asked his wife..

"Just some drunk guy asking for a push," he answers.

"Did you help him?" she asks.

"No, I did not, it is 3:00 in the morning and it is pouring rain out there!"

"Well, you have a short memory," says his wife. "Can't you remember about three months ago when we broke down, and those two guys helped us?"

I think you should help him, and you should be ashamed of yourself!"

The man does as he is told, gets dressed, and goes out into the pounding rain.

He calls out into the dark, "Hello, are you still there?"

"Yes," comes back the answer.

"Do you still need a push?" calls out the husband.

"Yes, please!" comes the reply from the dark.

"Where are you?" asks the husband.

"Over here on the swing," replied the drunk.

Little Johnny had just come back to school from his summer break and the teacher was asking all of the kids to stand up and tell the class what they had done in their holidays.

When it came to the turn of Johnny he stood up and told the teacher " Well M'am I went down the woods with my mates, found some frogs and stuck fireworks up their ARSES".

Horrified, the teacher replied " You mean RECTUM". Johnny was surprised and paused for a moment "WRECKD'EM? frickin" blew 'em to pieces!"

Five rules for men to follow for a happy life:

1. Its important to have a woman, who helps at home, who cooks from time to time, cleans up and has a job.
2. It's important to have a woman, who can make you laugh.
3. It's important to have a woman, who you can trust and who doesn't lie to you.
4. It's important to have a woman, who is good in bed and who likes to be with you.
5. It's very, very, very important that these four women do not know each other.
