Tough Man Dave Zien

They don't have Tough Man contests anymore. That's been replaced by cage fighting. But if there was ever a tough man among us, it's Dave Zien. His long distance motorcycle ride records are legendary, and he's killed more deer with his motorcycles than most hunters have with high powered rifles. 2009 was his last deer trophy, taken on his way to the ABATE State Meeting in Wisconsin Rapids. Approaching two million accumulative miles on motorcycles, it would seem destiny would have some malevolence on reserve, in case an appropriate circumstance presented. That circumstance unveiled itself in the form of an errant driver in Florida. This uninsured driver with a suspended license lost control of his SUV directly in front of Zien's 2009 Road Glide. The SUV overturned and Zien was unable to avoid making contact, which resulted in serious leg and pelvic injuries. One week after the March 13th crash, he remained in ICU in Tallahassee, with the loss of his left leg and spleen. His condition is stable and improving at this writing but he still has a long road to recovery. In an effort to help out with some expenses and the burden on family members who are at his side in Florida, a fund has been set up for people who wish to donate to help out. Donations can be deposited at any Wells Fargo or Wachovia Bank in the country, using account #5284063483. Meanwhile, Dave expressed great appreciation for all the well wishes and prayers from his many friends and acquaintances. Please keep him in your thoughts, but at this time the family wishes are that no calls or visits be made to the hospital. Right now he needs the quiet comfort and care provided by the hospital staff and his family. Thanks for understanding.
