

If there is one place in Wisconsin you could meet big wigs from the motorcycle industry, it would probably be at the Road Guardians compound roadguardians.org in Big Bend. Depending on the corresponding events in the area, you could meet famous builders, worldwide journalists/photographers, musicians, motorcycle rights individuals from around the country and everybody in between.

This was the case during the Industry Party last year during the 110th HD Anniversary gathering. Held Thursday at the Road Guardians compound, a couple hundred bikes showed up for the festivities that included a bike show and some guest speakers.

Some of the people that were there are:

- " "Rogue" Easyriders
- " Don Wood from Moonshiners
- " Charlie Brechtel from The Charlie Brechtel band
- " Riff Raff Classic Blues and Southern Rock Band we will have that day performing
- " Cycle Source
- " Skyhigh Promotions with the Brew City babes
- " IronWorks with Marilyn Stemp

Tony "Pan" & Vicki Sanfelippo are two really hooked up individuals in the motorcycle industry. They have traveled all over the world and give us the pleasure of meeting some of the celebrities here at home.

If you get the chance stop down you need to check out the safety equipment for emergencies that may arise while you're on the road. The training you can get in case you happen upon an accident Scene plus a whole bunch of other items for sale.
