

Need a new location to stop at during your next run, consider the Hancock Hotel...

If you're not familiar with the Hancock Hotel, you should be. Especially if you put on an event that is veteran oriented.

Hancock Hotel & Bar is an old hotel that is run as a bar only now for the last 14 years. It's a family run bar that is able to take care of your

poker run/benefit crowd. Dick & Terry Werner go out of their way to make any event as successful as possible. They do have a fun ride every third Thursday of the month and are also for the first time a Cannon Run stop.

Dick is retired Army of 32 years of service which explains his passion for our veterans and their issues. If its vet related Dick is involved somehow. Terry is a down to earth fun soul to sit and chat with. And the staff is friendly as all get out. It is really enjoyable for me to hang out there when I'm in the area.
