A Frenchman, an Englishman,
and an American are captured by

cannibals.

As they are awaiting their fate they are approached by the cannibal chief.

"First we are going to kill you," the chief explained.

"Then we will eat you. Then we will use your skin to make a canoe. But we are kind, so we will let you choose how you will die."

The Englishman said "I will die by the sword!" They gave him a sword and he screams "God save the Queen!" then he stabs himself in the gut.

The Frenchman says "I will die by the gun!" They give him a gun and he shouts "Vive la France!" And then shoots himself.

The American asked for a fork. The cannibals all start laughing, but figure this will be a good show so they give the American the fork.

As soon as he gets the fork in his hands the American starts stabbing himself all over, and screams: "Make a canoe out of this, you sons of bitches!"

The golf course was haunted by a malicious, evil leprechaun who exploited the ambitions of the poorer players. He popped up beside one unfortunate man who was participating in a club competition.

"Look," he said, "if you agree never to court a woman, flirt with a girl or marry, I'll help you win."

"Done," shouted the young golfer. The leprechaun was very pleased with conniving ways, and chuckled merrily.

When the golfer was in the clubhouse being praised by the other members, the leprechaun popped up on the shelf of the locker. "Hey," said the little elf, "I have to have your name for my records. What is it?"

"Father Murphy," grinned the golfer as he adjusted his Roman collar.

In a class on abnormal psychology, the instructor was about to introduce the subject of manic depression. The instructor asked, "How would you diagnose a patient who walks back and forth, screaming at the top of his lungs one minute, then sits in a chair weeping uncontrollably the next?"

A young man in the rear raised his hand and suggested earnestly, "A basketball coach?"

HUMOR

The mafia was looking for a new man to make weekly collections from all the private businesses that they were 'protecting'. Feeling the heat from the police force, they decide to use a deaf person for this job ; if he were to get caught, he wouldn't be able to communicate to the police what he was doing.

Well, on his first week, the deaf collector picks up over \$40,000. He gets greedy, decides to keep the money and stashes it in a safe place. The mafia soon realizes that their collection is late, and sends some of their hoods after the deaf collector.

The hoods find the deaf collector and ask him where the money is. The deaf collector can't communicate with them, so the mafia drags the guy to an interpreter. The mafia hood says to the interpreter, "Ask him where da money is." The interpreter signs, "Where's the money?"

The deaf replies, "I don't know what you're talking about."

The interpreter tells the hood, "He says he doesn't know what you're talking about"

The hood pulls out a .38 and places it in the ear of the deaf collector. "NOW ask him where the money is." The interpreter signs, "Where is the money?"

The deaf replies, "The \$40,000 is in a tree stump in Central Park."

The interpreter's eyes light up and says to the hood, "He says he still doesn't know what you're talking about, and doesn't think you have the balls to pull the trigger."

A blonde biology student conducts an experiment on grasshoppers. She pulls off one of its legs at a time and yells, "Hop." The grasshopper hops each time until all of its legs are gone. The blonde concludes: when all the legs of a grasshopper are removed, it becomes deaf.

On New Year's Eve, Daniel was in no shape to drive, so he sensibly left his van in the car park and walked home. As he was wobbling along, he was stopped by a police officer. 'What are you doing out here at four o'clock in the morning?' asked the officer.

'I'm on my way to a lecture,' answered Daniel.

'And who on earth, in their right mind, is going to give a lecture at this time on New Year's Eve?' enquired the police officer sarcastically.

'My wife,' slurred Daniel grimly.
