

I'd like to thank the VNVMC for their effort in keeping the Vietnam Vets 14th Annual Blessing and Poker Run alive and well. Especially Rabbit for his hard work. Before the blessing we all headed into the VA Chapel for some kind and inspiring words from Chaplains Ray Korry and Norm Oswald. Chaplain Korry put it perfectly when he said of the bikers that support this run, ""Rough on the outside, great people on the inside." "Bikers have a spirit about them". The good Father also added, with the support of the Brothers and Sisters we can help out our vets in very simple but needed ways. A couple of examples of this: A vet needed a way to get home after his mother passed away, money raised thru events like this gave him the coin to get there. Another example a vet needed a pair of shoes, all he had was a pair of womens shoes. Bikers were there for these vets through money raised that goes into the chaplain fund. The chaplain has control of these monies, and does not have to go thru any VA red tape so the vets can get the items they need when they need it. When it comes to taking care of our vets, in my opinion we all help out with love and caring hearts. The run ended with a party after words at Sussex Place Sports Bar and Grill in Sussex, WI. Hopefully everyone that finished the run had a good time and we'll see you next year.
