*****Colorama Fall Ride*****

Every year 1000's of bikes converge on Tomahawk, WI for the annual Colorama Fall Ride. This year the dates are Sept 16th-19th. With the riding season winding down a lot of the riders make this one of their last big weekends. There are tons of things to do including a poker run, street dances, and a ton of vendors to check out. The riding in the Tomahawk area is excellent, with the tall pines and back roads. Just like some of the big events, a lot of us try to get away from the hustle of the crowd for some quiet riding. Here are a few businesses that are within 40 miles of Tomahawk that are owned by bikers or are biker friendly and would love to meet all the riders from all over.
