

Colorama Fall Ride

Every year 1000's of bikes converge on Tomahawk, WI for the annual Tomahawk Fall Ride. This year the dates are Sept 15th-18th. With the riding season winding down, alot of the riders make this one of there last big week-ends. There are tons of things to do including, street dances, a ton of vendors to check out and the riding in the Tomahawk area is excellent, with the tall pines and winding back roads. Just like some of the other big events, a lot of us try to get away from the hustle and bustle of the crowd for some quiet time. Tucked in amidst the beautiful scenery are a lot of businesses that are with-in 40 miles of Tomahawk, which makes for a perfect couple hour get-a-way. These establishments are owned by bikers, or are biker friendly and would love to meet you riders from all over.
