St. Croix Valley Riders 14th Annual Chili Feed

Last year I was on my way home from another Minnesota event, and decided to check out the St. Croix Valley Riders Chili Feed I have heard so much about. Pulling in around 3PM, I was very surprised by the amount of bikes, vehicles and people that were in attendance. After getting a pass in to check things out, I met Dave who gave me the tour of the grounds. The Chili Feed is held at the Gas-Lite Lounge, 12 miles east of Prescott, WI. This year the Feed will be Sept 10th. With camping available, so there is no reason to ride home if you been drinking.

I didn't get to spend much time at the feed, but I can say I am planning on attending for the full day this year. For more info on the Chili Feed or more info on St. Croix Valley Riders themselves, www.scvr.org
