A married man was having an affair with his secretary. One day, their passions overcame them and they took off for her house, where they made passionate love all afternoon. Exhausted from the wild sex, they fell asleep, awakening around 8:00 pm. As the man threw on his clothes, he told the woman to take his shoes outside and rub them through the grass and dirt.

Mystified, she nonetheless complied. He slipped into his shoes and drove home.

"Where have you been?" demanded his wife when he entered the house.

"Darling, I can't lie to you. I've been having an affair with my secretary, and we've been having sex all afternoon. I fell asleep and didn't wake up until eight o'clock."

The wife glanced down at his shoes and said, "You lying bastard! You've been playing golf!"

Light travels faster than sound.

That's why some people appear bright until you hear them speak.

There was a middle aged couple that had two stunningly beautiful teenage daughters. The couple decided to try one last time for the son they always wanted. After months of trying, the wife finally got pregnant and sure enough delivered a healthy baby boy nine months later. The joyful father rushed into the nursery to see his new son. He took one look and was horrified to see the ugliest child he had ever seen. He went to his wife and told her there was no way he could be the father of that child. "Look at the two beautiful daughters I fathered!" Then he gave her a stern look and asked, "Have you been fooling around on me?"

The wife just smiled sweetly and said, "Not this time!"

After a really good party a man walks into a bar and orders a drink. Already drunk and delirious, the man turns to the person sitting next to him and says, "You wanna hear a blonde joke?" The person replies, "I am 240 pounds, world kickboxing champion and a natural blonde. My friend is 190 pounds, world judo champion and is a natural blonde. And my other friend is 200 pounds, world arm wrestling champion and is also a natural blonde. Do you still want to tell me that blonde joke?"

The man thinks for a while and replies, "Not if I have to explain it three times."

Things You Can Use To Help You Through Your Day
When I'm feeling down, I like to whistle. It makes the neighbor's dog run to the end of his chain and gag himself.

If you can't be kind, at least have the decency to be vague.

Don't assume malice for what stupidity can explain.

A penny saved is a government oversight.

The real art of conversation is not only to say the right thing at the right time, but also to leave unsaid the wrong thing at the tempting moment.

The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

He who hesitates is probably right.

Did you ever notice?

The Roman Numerals for forty (40) are "XL." If you think there is good in everybody, you haven't met everybody.

If you can smile when things go wrong, you already have someone in mind to blame.

The sole purpose of a child's middle name is so he can tell when he's really in trouble.

There's always a lot to be thankful for if you take time to look for it. For example I am sitting here thinking how nice it is that wrinkles don't hurt.

Did you ever notice?

When you put the 2 words "The" and "IRS" together it spells "Theirs."

Hmmm.

HUMOR

A husband and wife decided they needed to use "code" words to indicate that they wanted to have sex without letting their children in on it. They decided on the word "Typewriter."

One day the husband told his five year old daughter, "Go tell your mommy that daddy needs to type a letter." The child told her mother what her dad said, and her mom responded, "Tell your daddy that he can't type a letter right now cause there is a red ribbon in the typewriter." The child went back to tell her father what mommy said.

A few days later the mom told the daughter, "Tell daddy that he can type that letter now."

The child told her father, returned to her mother and announced, "Daddy said never mind with the typewriter, he already wrote the letter by hand."

There was a blond that sat down in first class of an airplane going to Chicago.

A stewardess came over and told her that she needed to move back to coach because this was someone else's seat.

She said "I'm blond, I'm beautiful and I'm going to Chicago first class." Well the stewardess didn't know what to do so she went and got the head stewardess and told her what happened.

So the head stewardess goes over the the blond and says that she needs to move back to her seat in coach.

The blond replies "I'm blond, I'm beautiful and I'm going to Chicago first class"

Well neither stewardess knew what to do so they went and got the captain. He tells the blond that she needs to go back to her seat in coach. She tells him "I'm blond, I'm beautiful and I'm going to Chicago first class"

The captain leans down and whispers something in her ear and she jumps up and runs back to coach.

The stewardess' ask him what he told her to finally get her to move.

He says "First class isn't going to Chicago"
