

New Prescott Bar is "BF"

The newly opened 'CABANA JO'S, in Prescott, Wi., is definitely 'BIKER FRIENDLY'. It offers BIKE PARKING ONLY, spots in the parking lot and the staff is BEAUTIFUL, in more ways than one. The service is excellent and girls are all 10's.

In what used to be the old STEAMBOAT INN, building, it's easy to find. Just cross the bridge from Minnesota, and look left. Plenty of 'OFF STREET PARKING', and from the bar, a scenic view of the St Croix River from inside or outside of the bar area. What a bar ! The old carpeting in the bar was torn out and now beach quality sand in reintroduced on the floor, each morning. It's like being on the beach, when you are really inside the building. If you wish you can sit outside on one of the two level decks. Sit in the sun or in the shade and enjoy the river and the fresh air.

Great Drink Specials, change each hour. Live Music includes 60's, 70's, 80's, Raggae and Island. Video Games, Pool, Darts, it's all at the CABANA JO'S. General Manager AMY MC ELMURY, has overseen the birth of what should become the most popular bar in Prescott.

For more information you may call: 715 - 262 - 3296. Or, watch KICK START TV, on Channel 23 / Cable 8, from the Twin Cities. See the layout of the building, and meet some of the GIRLS OF CABANA JO'S, as they invite you to visit their BIKER FRIENDLY location.
