A blonde's car gets a flat tire on the Interstate so she eases it over onto the shoulder of the road.

She carefully steps out of the car and opens the trunk. Takes out two cardboard men, unfolds them and stands them at the rear of the vehicle facing oncoming traffic. The lifelike cardboard men are in trench coats exposing their nude bodies to approaching drivers... Not surprisingly, the traffic became snarled and backed up. It wasn't long before a police car arrives. The Officer, clearly enraged, approaches the Blonde of the disabled vehicle yelling, "What is going on here?" "My car broke down, Officer" says the woman, calmly. "Well, what the hell are these obscene cardboard pictures doing here by the road?" asks the Officer... "Helllllooooo, those are my emergency flashers!"

An old Indian Chief sat in his hut on the reservation, smoking a ceremonial pipe and eying two U.S. government officials sent to interview him.

"Chief Two Eagles," asked one Official, "You have observed the white man for 90 years. You've seen his wars and his technological advances.

You've seen his progress, and the damage he's done." The Chief nodded in agreement.

The Official continued, "Considering all these events, in your opinion, where did the white man go wrong?" The Chief stared at the Government Officials for over a minute and then calmly replied, "When white man found the land, Indians were running it."

"No taxes."

"No debt."

"Plenty buffalo."

"Plenty beaver."

"Women did all the work."

"Medicine man free."

"Indian man spent all day hunting and fishing."

"All night having sex."

Then the Chief leaned back and smiled, "White man dumb enough to think he could improve system like that."

A mechanic was removing a cylinder-head from the motor of a Harley-Davidson motorcycle when he spotted a well-known cardiologist in his shop. The cardiologist was there waiting for the service manager to come take a look at his bike when the mechanic shouted across the garage, "Hey Doc, want to take a look at this?"

The cardiologist, a bit surprised, walked over to where the mechanic was working on the motorcycle. The mechanic straightened up, wiped his hands on a rag & asked, "So Doc, look at this engine. I open it's heart, take the valves out, repair any damage & then put them back in. When I finish, it works just like new. So how come I make \$39,675 a year (a pretty small salary) & you get the really big bucks (\$1,695,759) when you & I are doing basically the same work?"

The cardiologist paused, smiled & leaned over & whispered to the mechanic, "Try doing it with the engine running!"

As an airplane is about to crash, a female passenger jumps up frantically and announces, "If I'm going to die, I want to die feeling like a woman."

She removes all her clothing and asks, "Is there someone on this plane who is man enough to make me feel like a woman?"

A man stands up, removes his shirt and says, "Here, iron this!"

Little Johnny's neighbors had a baby. Unfortunately, the baby was born without ears. When the mother and new baby came home from the hospital, Johnny's family was invited over to see the baby. Before they left their house, Little Johnny's dad had a talk with him and explained that the baby had no ears. His dad also told him that if he so much as mentioned anything about the baby's missing ears or even said the word "ears" he would get the spanking of his life when they came back home. Little Johnny told his dad he understood completely.

When Johnny looked in the crib he said, "What a beautiful baby." The mother said, "Why, thank you, Little Johnny." Johnny said, "He has beautiful little feet and beautiful little hands, cute little nose and really beautiful eyes. Can he see?" "Yes", the mother replied, "we are so thankful; the doctor said he will have 20/20 vision." "That's great," said Little Johnny, "Because he'd be sh*t-outta-luck if he needed glasses."

A young blonde, goes to her local pet store in search of an exotic pet. As she looks about the store, she notices a box full of live frogs.

The sign says: "Sex Frogs! Only \$20 each! Comes with complete instructions." The blonde excitedly looks around to see if anybody's watching her. She whispers softly to the man behind the counter, "I'll take one."

As the man packages the frog, he quietly says to her, "Just follow the instructions." The blonde nods, grabs the box, and is quickly on her way home. As soon as she closes the door to her apartment, she opens the instructions and reads them very carefully. She does exactly what is specified:

1. Take a shower.
2. Splash on some nice perfume.
3. Slip into a very sexy nightie.
4. Crawl into bed and place the frog down beside you and allow the frog to do what he has been trained to do. She then quickly gets into bed with the frog and to her surprise nothing happens! The blonde is very disappointed and quite upset at this point. She re-reads the instructions and notices at the bottom of the paper it says, "If you have any problems or questions, please call the pet store."

So, the blonde calls the pet store.

The man says, "I'll be right over."

Within minutes, the man is ringing her doorbell.

The blonde welcomes him in and says, "See, I've done everything according to the instructions. The damn frog just sits there."

The man, looking very concerned, picks up the frog, stares directly into its eyes and sternly says:

"Listen to me! I'm only going to show you how to do this one more time"

Q. How does a man show that he is planning for the future?

A. He buys two cases of beer

A man went to church one day and afterward he stopped to shake the preacher's hand. He said "Preacher, I'll tell you, that was a damned fine sermon. Damned good!"

The preacher said, "Thank you sir, but I'd rather you didn't use profanity."

The man said, "I was so damned impressed with that sermon I put five thousand dollars in the offering plate!"

The preacher said, "No shit?!"
