 Sun-Fri

This has absolutely nothing to do with motorcycling at all

WHY DID THE CHICKEN CROSS THE ROAD?
BARACK OBAMA: The chicken crossed the road because it was time for a CHANGE! The chicken wanted CHANGE!
JOHN MC CAIN: My friends, that chicken crossed the road because he recognized the need to engage in cooperation and dialogue with all the chickens on the other side of the road.
HILLARY CLINTON: When I was First Lady, I personally helped that little chicken to cross the road. This experience makes me uniquely qualified to ensure right from Day One! -- that every chicken in this country gets the chance it deserves to cross the road. But then, this really isn't about me.....
DR. PHIL: The problem we have here is that this chicken won't realize that he must first deal with the problem on 'THIS' side of the road before it goes after the problem on the 'OTHER SIDE' of the road. What we need to do is help him realize how stupid he's acting by not taking on his 'CURRENT' problems before adding 'NEW' problems.
OPRAH: Well, I understand that the chicken is having problems, which is why he wants to cross this road so bad. So instead of having the chicken learn from his mistakes and take falls, which is a part of life, I'm going to give this chicken a car so that he can just drive across the road and not live his life like the rest of the chickens.
GEORGE W. BUSH: We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road, or not. The chicken is either against us, or for us. There is no middle ground here.
COLIN POWELL: Now to the left of the screen, you can clearly see the satellite image of the chicken crossing the road...
ANDERSON COOPER - CNN: We have reason to believe there is a chicken, but we have not yet been allowed to have access to the other side of the road.
JOHN KERRY: Although I voted to let the chicken cross the road, I am now against it! It was the wrong road to cross, and I was misled about the chicken's intentions. I am not for it now, and will remain against it.
NANCY GRACE: That chicken crossed the road because he's GUILTY! You can see it in his eyes and the way he walks.
PAT BUCHANAN: To steal the job of a decent, hardworking American.
MARTHA STEWART: No one called me to warn me which way that chicken was going. I had a standing order at the Farmer's Market to sell my eggs when the price dropped to a certain level. No little bird gave me any insider information.
DR SEUSS: Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed I've not been told.
ERNEST HEMINGWAY: To die in the rain. Alone.
JERRY FALWELL: Because the chicken was gay! Can't you people see the plain truth? That's why they call it the 'other side.' Yes, my friends, that chicken is gay. And if you eat that chicken, you will become gay too. I say we boycott all chickens until we sort out this abomination that the liberal media white washes with seemingly harmless phrases like 'the other side. That chicken should not be crossing the road. It's as plain and as simple as that.
GRANDPA: In my day we didn't ask why the chicken crossed the road. Somebody told us the chicken crossed the road, and that was good enough.
BARBARA WALTERS: Isn't that interesting? In a few moments, we will be able to let the chicken tell, for the first time, the heart warming story of how it experienced a serious case of molting and went on to accomplish a life long dream of crossing the road.

ARISTOTLE: It is the nature of chickens to cross the road.
JOHN LENNON: Imagine all the chickens in the world crossing roads together in peace.
BILL GATES: I have just released eChicken2007, which will not only cross roads but will lay eggs, file your important documents, and balance your check book. Internet Explorer is an integral part of "Chicken". This is a new platform much more stable and will never cra...#&@&^(C% - - - reboot
ALBERT EINSTEIN: Did the chicken really cross the road, or did the road move beneath the chicken?
BILL CLINTON: I did not cross the road with THAT chicken. What is your definition of chicken?
AL GORE: I invented the chicken

When you apply for Welfare in Mexico what does that Government give you?

Allstate Survey Of Motorcyclists. Are You Surprised?

Published by Cyril Huze July 19th, 2008 in Editorial.

I love motorcycle insurance surveys. Some answers make me smile, to say the least. Read the main results of the most recent one done online by Allstate with 500 male bikers nationwide. 1- Virtually all hardcore riders answered they would give up their spouse or significant other before their motorcycle. 2- Riders across all classifications were twice as likely to give up their television sets before their motorcycles - a testament to the passion many Americans feel for their bikes and riding. 3- Thirty-five percent of participants own at least one Harley and spend an average of \$20,600 for the bike. An additional \$2,250, on average, is spent for accessories. 4- Honda emerged as the runner-up with 30 percent of participants owning at least one motorcycle. 5- More than 50% of participants attend rallies, including one of the most well-known rallies - the Sturgis Motorcycle Rally- which topped the attendance list, and the Daytona Beach, Fla. rallies (Both Bike Week and Biketoberfest). 6- Ultimate Road Songs: a. "Born to be Wild," Steppenwolf. b. "Radar Love," Golden Earring. c. "Take it Easy," the Eagles. d. 4. "Born to Run," Bruce Springsteen. e. "Freebird," Lynyrd Skynyrd. Allstate Motorcycle Insurance.
