Kutter HD Open House in Monroe

For those of you that know me, you know that I hit and run events, meaning I am there for a short time to get a feel for what the event is about and I'm back in the wind. My stop over at Kutter (www.kutterharley.com) HD's Open House in Monroe, WI was no exception. I finally got to meet Mark Prosser (FRP contributor "Kustom Corner"- www.prosserpaint.com), the excited Lucy who was getting her bike pinstriped and many others just enjoying themselves. The weather was over cast, but the bikes in and out all day was steady according to Lucy. Thanks to all involved for the hospitality, I'll be sure to stop by again.

Brothers and Sisters In The Wind

How many of you have lost someone close to you? I am thinking most people have. This run is for the memory of such people (primarily from the central Wisconsin area, but not held exclusively for them) that have met with life's end too soon. Due to illness, accident, violence etc these Brothers and Sisters are forever with us.

I for one am glad Deb from Motorcycle Riders Depot in Wausau started this ride because my cousin is one of the sisters remembered. This gives me a chance to openly express how I miss her along with the other names on the crosses.

About 50 people were on last years run to remember. Each with a different story, but the end result is the same for all attending. The lost Brothers and Sisters are not forgotten while living in our memory.

Plan on attending this years ride on Sept. 27th. Meeting place is Arrow Sports Bar at 1pm. For more info or you have someone special you would like remembered give Deb a call at 920- 359-0989.
