A woman recently lost her husband. She had him cremated and

brought his ashes home.

Picking up the urn that he was in, she poured him out on the counter. Then, while tracing her fingers in the ashes, she started talking to him:

"Irving, you know that fur coat you promised me? I bought it with the insurance money!"

"Irving, remember that new car you promised me? Well, I also bought it with the insurance money!"

"Irving, that emerald necklace you promised me? I bought it too, with the insurance money."

Still tracing her finger in the ashes, she said: "Irving, remember that blow job I promised you?"

Here it comes.

A little old lady sat down next to a man in church who was praying devoutly.

As he sat back in his pew, he burst into tears and continued to sob.

The little old lady said to the man,

"I'm so sorry. Did you lose somebody close to you?"

"No" he said. "I just sat on my balls."

### How To Install a Home Security System

1. Go to a thrift store and buy a pair of used men's work boots, size 14-16.
2. Put them on your front porch, muddy, on top of a copy of Guns & Ammo magazine.
3. Place a few giant dog dishes next to the boots and magazine.
4. Leave a note on your door that reads:

Hey Bubba:

Big Jim, Duke, Slim and I went for more ammo. Back in an hour. Don't mess with the pit bulls -- they chewed up the mailman pretty bad this morning. I don't think Killer took part in it, but it was hard to tell from all the blood. I locked all four of 'em in the house. Better wait outside.

TEACHER: Donald, what is the chemical formula for water?

# RIDERS

A group of kids were trying very hard to become accustomed to the first grade.

The biggest hurdle they faced was that the teacher insisted on NO baby talk!

'You need to use Big People words,' she was always reminding them.

She asked Alex what he had done over the weekend?

'I went to visit my Nana.'

No, you went to visit your GRANDMOTHER. Use Big People words!

She then asked Mitchell what he had done.

'I took a ride on a choo-choo.'

She said. 'No, you took a ride on a TRAIN.'

You must remember to use Big People words'.

She then asked little Johnny what he had done?

'I read a book,' he replied.

'That's WONDERFUL!' the teacher said. 'What book did you read?'

Little Johnny thought real hard about it, then puffed out his chest with great pride, and said, 'Winnie the Shit.'

A blonde was shopping at Target and came across a shiny silver thermos. She was quite fascinated by it, so she picked it up and took it to the clerk to ask what it was. The clerk said, 'Why, that's a thermos... it keeps hot things hot, and cold things cold.' 'Wow, said the blonde, 'that's amazing.... I'm going to buy it!' So she bought the thermos and took it to work the next day. Her boss saw it on her desk. 'What's that,' he asked? 'Why, that's a thermos... it keeps hot things hot and cold things cold,' she replied. Her boss inquired, 'What do you have in it?' The blond replied...'Two popsicles and some coffee.'

# HUMOR

One day, the teacher walks into her classroom and announces to the class that on each Friday, she will ask a question to the class and anyone who answers correctly doesn't have to go to school the following Monday.

On the first Friday, the teacher asks, "How many grains of sand are in the beach?" Needless to say, no one could answer.

The following Friday, the teacher asks the class, "How many stars are in the sky?" and again no one could answer. Frustrated, little Johnny decides that the next Friday, he would somehow answer the question and get a 3 day weekend.

So Thursday night, Johnny takes two ping-pong balls and paints them black. The next day, he brings them to school in a paper bag. At the end of the day, just when the teacher says, "Here's this week's question," Johnny empties the bag to the floor sending the ping-pong balls rolling to the front of the room. Because they are young kids who find any disruption of class amusing, the entire class starts laughing.

The teacher says, " Okay, who's the comedian with the black balls?"

Immediately, little Johnny stands up and says, "Bill Cosby, see ya on Tuesday."

After the eighty-three year old lady finished her annual physical examination, the doctor said, "You are in fine shape for your age, Mrs. Green, but tell me, do you still have intercourse?"

"Just a minute, I'll have to ask my husband," she said. She stepped out into the crowded reception room and yelled out loud: "Bob, do we still have intercourse?"

And there was a hush you could hear a pin drop.

Bob answered impatiently, "If I told you once, Nancy, I told you a hundred times...what we have is Blue Cross!"

A hole has been found in the nudist camp wall. The police are looking into it...

A husband and wife were sitting watching a TV program about psychology and mixed emotions when he turned to his wife and said, "Honey, that's a bunch of crap; I bet you can't tell me anything that will make me happy and sad at the same time."

She said, "You have the biggest penis of all your friends."
