A flat-chested young lady went to Smith about enlarging her breasts. Dr Smith advised her 'Every day after your shower, rub your chest and say,

' Scooby doobie doobies, I want bigger boobies!'

She did this faithfully for several months!

To her utter amazement she grew terrific D-cup boobs! One morning she was running late, got on the bus, and in a panic realized she had

Forgotten her morning ritual. Frightened she might lose her lovely boobs if she didn't recite the little rhyme, she stood right there in the middle aisle of the bus, closed her eyes and said, 'Scooby doobie, doobies, I want bigger boobies.'

\ A guy sitting nearby looked at her and asked 'Oh! Are you a patient of Dr. Smith's?'

'Yes I am.. How did you know?'

He winked and replied, " Hickory dickory dock...."

Pfizer Corp. announced today that Viagra will soon be available in liquid form, and will be marketed by Pepsi Cola as a power beverage suitable for use as a mixer. It will now be possible for a man to literally pour himself a stiff one.

Obviously we can no longer call this a soft drink, and it gives new meaning to the names of 'cocktails', 'high-balls' and just a good old-fashioned 'stiff drink'.

Pepsi will market the new concoction by the name of: MOUNT & DO.

Next time you use a pair of rubber gloves, you're going to smile when you think of this:

A dentist noticed that his next patient, a little old lady, was nervous, so he decided to tell her a little joke as he put on his gloves.

'Do you know how they make these gloves?' he asked.

No, I don't,' she replied.

Well,' he spoofed, 'there's a building in Canada with a big tank of latex, and workers of all hand sizes walk up to the tank, dip in their hands, let them dry, then peel off the gloves and throw them into boxes of the right size.'

She didn't crack a smile.

'Oh, well. I tried,' he thought.

But five minutes later, during a delicate portion of the procedure, she burst out laughing.

'What's so funny?' he asked.

'I was just envisioning how condoms are made!'

(Gotta watch those little old ladies! Their minds are always working!)

Beer contains female hormones! Yes, that's right, FEMALE hormones!

Last month, Sydney University and scientists released the results of a recent analysis that revealed the presence of female hormones in beer.

Men should take a concerned look at their beer consumption.

The theory is that beer contains female hormones (hops contain Phytoestrogens) and that by drinking enough beer, men turn into women.

To test the theory, 100 men each drank 8 schooners of beer within a one (1) hour period.

It was then observed that 100% of the test subjects, yes, 100% of all these men:-

- 1) Argued over nothing.
- 2) Refused to apologize when obviously wrong.
- 3) Gained weight.
- 4) Talked excessively without making sense.
- 5) Became overly emotional.
- 6) Couldn't drive.
- 7) Failed to think rationally, and
- 8) Had to sit down while urinating

No further testing was considered necessary!!

HUMOR

Counseling - Southern Style

Earl and Bubba are quietly sitting in a boat fishing, chewing Tobacco and drinking beer when suddenly Bubba says, "Think I'm gonna divorce the wife - she ain't spoke to me in over 2 months."

Earl spits overboard, takes a long, slow sip of beer and says,

"Better think it over.....women like that are hard to find."

One of the city's top cardiac specialists died. At his funeral, his coffin was placed in front of a huge replica of a heart made of red roses.

When the pastor finished the sermon, and everyone said their good-byes, the large heart opened up, the coffin rolled inside, and the heart closed again.

It was a majestic tribute to the much loved cardiologist. Suddenly, one of the mourners burst into a fit of laughter. Irritated by his insensitivity, the man sitting next to him asked, "Why are you laughing, Mister?"

"I was just thinking about my own funeral," the man replied. "I'm a gynecologist"...

A trucker came into a truck stop cafe and placed his order. He said, I want three flat tires, a pair of headlights and pair of running boards.

The brand new blonde waitress, not wanting to appear stupid, went to the kitchen and said to the cook, This guy out there just ordered three flat tires, a pair of headlights and a pair of running boards. What does he think this place is, an auto parts store?

No, the cook said. Three flat tires mean three pancakes, a pair of headlights is two eggs sunny side up, and running boards are 2 slices of crisp bacon.

Oh, OK! said the blonde. She thought about it for a moment and then spooned up a bowl of beans and gave it to the customer.

The trucker asked, What are the beans for, Blondie? She replied, I thought while you were waiting for the flat tires, headlights and running boards, you might as well gas up!

Finally - - An answer I can Understand.

A visiting tourist asks an Irishman: "Why do Scuba divers always fall backwards off their boats?"

To which the Irishman replies: "If they fell forwards, they'd still be in the boat."
