Release:

Tomahawk Fall Rally & Ride For Vets is fast approaching and I would again personally like to invite you to spend the weekend with us. We will be at the Tomahawk Speedway on Hwy A just a couple of miles north of downtown. We will again this year have camping for all attendees, music nightly and a few surprises in store throughout the weekend. We have a full bar on sight for those of you that prefer not to drink and ride (advisable), vendors and food all weekend for purchase.

A quick note on the camping. The speedway does also offer a campground and RV park www.tomahawk-campground.com that is separate from the Ride for Vets weekend. So make sure you clarify which venue you're calling about.

For the cost of \$50/couple or \$30/single you can pitch your tent, enjoy nightly campfires, listen to some tunes and relax.

For vendors you can go online and register at www.tomahawkfallrideforvets.com to get a spot. Placement of vendors will depend on registrants.

Music will be provided by Little Cisco on Thursday, Sloppy Joe on Friday and Mandatory Overtime Saturday evening. There is a good chance that Mike Jones www.wolfonthemoon.com writer of the recently released DVD "Born To Ride" will join us Saturday after the "Ride For Vets" concludes it's 100 mile scenic run to play some biker music for you all.

And finally the Ride For Vets. This year will be a ride to benefit the "Don't Tread on Zien" run. Dave as most of you know had a bad accident in February. We figured after what he has done for our veterans and the riding community, what better person to raise funds for. Next year we will be doing it again for another veteran group.

So if you need a place to hang out and relax, check out our site and I will be looking forward to meeting you.
