

Sonny/Zorana, Jeff/Christine & Jeff

The best part of the movie 'Dead in Five Heartbeats' is the possible "sequel". I had the honor of viewing a premier in Cleveland, OH June 29, 2013. It was dramatic indeed! In the movie, it is hinted that a "sequel" is coming. God indeed works in mysterious, supernatural and multidimensional ways!

The Christian flavored "sequel" message could have enormous & ever-expanding impacts. This may well be revolutionary from a true and well respected Rebel/maverick/icon - Sonny.

Perhaps a religious revival and emergence of new loyalty could evolve. People from all walks of life could mend fences and pursuing new in-roads; even beyond themselves to enhance and empower their quality of life. Those who choose to walk on from this life, while they still live should be confronted; i.e. suicide by depression, obesity, lack of exercise, proper nutrition, practicing common sense, forgiving others *"don't let the sun set upon your anger"*. *Ephesians 4:26-27*.

The earned media will have a heyday - anticipation of a "sequel" to 'Dead in Five Heartbeats' will go viral. Beyond intrigue, people will be involved! God speaks to us through others; God speaks to others through us. Sonny, as you know, **"the hand of God** has been upon you!"

The value and purpose of your life is far beyond you. Your existence and past is not just of your own. You have a responsibility to harness unlimited potential and serve mankind through the Lord's unique perspectives.

NCOM/COC

We first met in May 1993 at Oklahoma City. I was addressing the National Coalition of Motorcyclists - NCOM. I was paving the way for a better understanding for the formation of the Confederation of Clubs (COC): Bikers not killing each other was the motive.

I had just recited Romans 13 *"If your enemy hungers, give them food, if they thirst give them drink for in so doing, you will heap coals of fire upon their head!"*

While I just quoted Hebrew 13 - *"Be kind to strangers for they may be angels in disguise"*; then you walked in the rear of the room. I drew attention to you and the place erupted into a long 4-minute standing ovation. No-one could have scripted or choreographed that momenta moment any better! You indeed command respect.

My 1967/1971 Experiences

My first college paper, March 1971 was called "Myth of the Motorcycle" which quoted you (enclosure). This followed an original poem I wrote which went to the State Forensics Tournament in 1967. This is also enclosed.

Each of us has messages to give, stories to tell and destinies to fulfill!

Everything in all our lives brings us to this very stage - this arena where God's goodness and grace can guide us! We are indeed engaged in spiritual warfare - against enormous forces of evil.

No one can argue, change or oppose our past; but we can/must go on from here!

Biblical Passages for Reference

IV. Do not believe every spirit, but test the spirits - I John 4:1.

V. Confessing our sins to others, praying for others heals ourselves - James 5:16.

Love, peace, forgiveness and honesty! Real life heroes! Stand up, speak out and fight back!

Sonny, Zorana, Jeff, Christine, Jeff: Destiny is at our doorstep! God Bless You and all you do for all those whose lives you touch!

Pray to Live, Live to Ride.

God Bless You

Saluting the Warrior Spirit, that is why we ride! Challenging the elements, living harmoniously with Mother Nature, each of us has so many stories to tell.

To record our message would be an inspiration to others. We should be writing down our experiences, feelings and memories. Miracles and misfortune with manifested meaning serve God's Higher Purpose.
