

Copper Peak Adventure Ride

I wanted to give a little attention to one of the great attractions that support the Free Riders Press and our readers. Copper Peak has been with us for many years, and if you haven't made it up to the "Ski Flying Hill" yet it's about time you did. I along with my mom stopped in while running around up near Hurley. Although the lift wasn't open on this particular day, just the sheer size and height of the thing will require a cocktail or two before my jumping on the chair (going up, up, up) is done. But I can tell you that if you check out their website copperpeak.org you will head up thier during your ride in the beautiful Northwood's of Wisconsin and the U.P. (P.S. Michigan is helmet free so now there is no excuse to check it out.)
