Plan Ahead or Get Left Behind!

It was a great riding season, but what components on your machine now need attention? Is your Shovelhead using a little oil? Or maybe your Pan-head or Knucklehead transmission is leaking or not shifting correctly. New or old we can help you get those repairs done right. Whether you do it yourself and just need quality replacement parts or you need the complete job done we can get you ready for Spring!

MOTOR BUILDS THE HEART OF THE BEAST!

Nowhere else will you see Mike Lichner rebuild a 30's VLD motor one week and an Evolution motor the next, Mike can get you the performance you need on your Flatheads, Knuckleheads, Panheads, Ironheads Shovelheads, Evos and TwinCam. From complete rebuilds including correct component finishes for restoration quality to top ends and cam installations Mike can help get you ready to roll!

POWER TO THE PAVEMENT!

The best motor in the world, only works as well as your transmission. The Harley-Davidson 4 speed transmission is a workhorse that when built correctly will give many miles of excellent service. Fred Borchardt has been rebuilding 4-speed and 3-speed transmissions to better than Factory Specs for years. From main drive gear seal repairs to complete overhauls Fred will make sure your transmission puts the POWER to the PAVEMENT.

QUALITY REPLACEMENT PARTS

We stock a large supply of hard to find parts for your classic ride. Whether you work on your bike or we do, we can supply the parts you need to complete the project. Our large vendor list includes V-Twin, Drag Specialties, Colony, Andrews and Jim's just to name a few.
