Smith goes to see his supervisor in the front office. "Boss," he says, "we're doing some heavy house-cleaning at home tomorrow, and my wife needs me to help with the attic and the garage, moving and hauling stuff." "We're short-handed, Smith" the boss replies. "I can't give you the day off." "Thanks, boss," says Smith "I knew I could count on you!"

One day, Harry came upon a big, long ladder that stretched into the clouds. He'd walked this way every day and this ladder was never there before. Curious and brave, he began to climb. Eventually, he climbed into the layer of clouds, and saw this rather large, homely woman lying here on a cloud. She spoke, "Take me now or climb the ladder to success!"

Harry figured success had to be better than this, so he continued climbing. He came upon another level of clouds, and found a thinner, cuter woman than before. She also spoke, "Take me now or climb the ladder to success!"

Harry saw that his luck was changing and so continued his climb. On another level of clouds, he found a rather attractive woman with not so bad of a figure. She stated, "Take me now or climb the ladder to success!"

Harry really liked his advantage now! He climbed quickly and deftly, and sure enough, on the next level, he found a gorgeous, lithe, well-endowed woman lying seductively on the cloud.

"Take me now or climb the ladder to success," she huskily whispered.

Harry couldn't believe his eyes, but his greed got the best of him. He climbed to the next level, expecting Aphrodite or similar. Suddenly, the ladder ends, and a latch closes behind

him. He looks over to see a 400 pound, 6'8" hairy biker-looking guy with tattoos. The biker gets up and walks menacingly toward Harry.

Apprehensively, Harry whispers, "Who are you?" The biker answers, "I'm Cess."

A young boy had been taken for his first visit to a nudist camp by his parents. He was surprised at the different sizes of the male organs and mentioned it to his father. The father, being rather well endowed, explained that it was a measure of intelligence, the big ones being smart and the small ones being dumb. That afternoon the father was looking for his wife and asked his son if he had seen his mother. "I saw her about ten minutes ago, She was with a real dumb man, but he seemed to be getting smarter every minute."

Two married buddies are out drinking one night when one turns to the other and says, "You know, I don't know what else to do. Whenever I go home after we've been out drinking, I turn the headlights off before get to the driveway. I shut off the engine and coast into the garage. I take my shoes off before I go into the house, I sneak up the stairs, get undressed in the bathroom, stick my foot in the toilet and pee down my leg to prevent splashing sounds. I ease into bed and my wife STILL wakes up and yells at me for staying out so late!"

His buddy looks at him and says, "Well, you're obviously taking the wrong approach. I screech into the driveway, slam the door, storm up the steps, throw my shoes in the closet, jump into bed, slap her on the butt and shout, "WHO'S HORNY"... " and she acts like she is asleep every time. "

HUMOR

A company was looking to hire someone for an important position, so they interviewed dozens of applicants and narrowed their search down three people. In an attempt to pick one of them, they decided to give them all the same question to answer within 24 hours and the one with the best answer would get the job.

The question was:

A man and a woman are in bed, nude. The woman is lying on her side with her back facing the man, and the man is lying on his side facing the woman's back. What is the man's name?

After the 24 hours was up, the three were brought in to give their answers.

The first one says "My answer is, there IS no answer." The second one says "My answer is, that there is no way to determine the answer with the information we were given."

The THIRD one says "I'm not exactly sure, but I have it narrowed down to two names. It's either Willie Turner or Willie Nailer."

HE GOT THE JOB!

A police officer, though scheduled for all night duty at the station, was relieved of duty early and arrived home four hours ahead of schedule, at 2 in the morning. Not wanting to wake his wife, he undressed in the dark, crept into the bedroom and started to climb into bed. Just then, his wife "sleepily" sat up and said, "Honey, would you go down to the all night drug store on the next block and get me some aspirin? I've got a splitting headache." "Certainly, honey," he said. Feeling his way across the dark room, he got dressed and walked over to the drug store. As he arrived, the pharmacist looked up in surprise, "Say," said the pharmacist, "I know you aren't you a policeman? Officer Fenwick, right?" "Yeah, sure. So?" said the officer. "Well, what the heck are you doing all dressed up like the Fire Chief?"
