The poor man was such a habitual drinker that even he was finally convinced that he was an alcoholic. At his family's urging he went to see a psychiatrist. After a lengthy consultation, the doctor sternly ordered that hereafter, every time the patient got drunk he was to report his transgression the very next day. A few days later the patient staggered into the psychiatrist's office. "I wanna report that I was drunk last night," he mumbled. "For heaven's sake, man, you're drunk right now!" cried the doctor. "Yeah I know," said the patient, "but I'm gonna report this tomorrow."

HUMOR

A cop is doing standard patrol when he notices a car swerving all over the road. He quickly turns on his siren and pulls the guy over. "Alright," says the cop, when the man gets out of the car. "Walk in a straight line." "I'd be happy to," says the drunk "just stop moving the stupid line."

"I hate to have to tell you this", said the Doctor in a sad compassionate voice, "but you have been unfortunately been diagnosed with a highly contagious disease, we will have to quarantine you and you'll only be fed cheese and bologna." "That's terrible!" Said the distraught young man, quickly sitting down before he could faint. "I don't know if I could handle being in quarantine...and the cheese and bologna diet... What's with the cheese and bologna diet anyway? I've never of such a diet before?!" "It's not exactly a diet", responded the Doctor matter of factually, "it's just the only food that will fit under the door!"

A shopkeeper was dismayed when a store opened next door with a huge sign that said, BEST DEALS!" To make things worse, another store opened on the other side with a huge sign reading "LOWEST PRICES!" He nearly panicked until he had the idea to put up his own sign, bigger than the other two, that read, "MAIN ENTRANCE."

John was a firm believer of 'the more the merrier'. After only 10 years of marriage he already had 8 kids. When John was forced to move because of his job he was having a very hard time finding an apartment where the landlord would be willing to rent to such a big family. Finally after being turned down one time too many John had an idea. "Listen hear Sally" said John to his wife, "go with the six little kids to the cemetery while I go see this apartment." Later that day while checking out an apartment the landlord asked, "How many children do you have?" "I have 8 children," John truthfully replied, "but 6 of them are with their Mother in the cemetery."

This guy was watching TV as his wife was out cutting the grass during the hot summer. He finally worked up the energy to go out and ask his wife what was for supper. Well, his missus was quite irritated about him sitting in the air conditioned house all day while she did all the work, so she scolded him. "I can't believe you're asking me about supper right now! Imagine I'm out of town, go inside and figure dinner out yourself." So he went back in the house and fixed himself a big steak, with potatoes, garlic bread and tall glass of iced tea. The wife finally walked in about the time he was finishing up and asked him, "You fixed something to eat? So where is mine?" "Huh? I thought you were out of town."

"I got a compliment on my driving today," said a blonde to her friend, there was a note left on my windshield that said "parking fine".

An old lady goes to the doctor and says, "I have this problem with frequent gas. Fortunately, the farts never smell and are always silent. As a matter of fact, I've farted at least 10 times since I've been here, and I bet you didn't even notice!" The doctor says, "I see. Take these pills and come back next week." The next week the old lady returns. "Doctor," she says, "I don't know what the hell you gave me, but now my silent farts stink like the dickens." The doctor says, "Good! Now that we've cleared up your sinuses, let's work on your hearing."
