Please forgive us,
for having to send you funny Father's day
and Birthday cards every year...
We spend a month trying to find the perfect card for you -
but have to resort to the humor section...
because they don't make cards that say
"Dad...I don't know anything about you...
because you won't talk to me...please talk to me."
Please forgive us,
when we assume the silent stares
with fingers pressed against temples
and furrowed brows means
that you aren't happy watching your grandchildren play -
We didn't know that you were beating yourself up inside -
wishing you were able to remember
your own children being that happy when they were small...
Please forgive us,
when it takes us until we are standing at your bedside...
crying out "Daddy...I love you...I'm sorry..."
and watching silent tears roll down your cheeks,
as you take your last breath -
to realize you really are a Hero...
and we'll spend the rest of our lives
wondering if you heard us say so -
before you closed your eyes and died...
