

Tomahawk Fall Ride 2004

For those of us that attended the Fall Ride this year in Tomahawk, WI we were greeted with great weather, fabulous entertainment downtown, at the speedway and just about every bar you went to. It is estimated that over 40,000 people attended the Fall Ride with "no serious problems," according to Police Chief Don Johnson. I didn't get a whole lot of time to spend downtown this year. But for the short time I was downtown, it was totally kewl to see the street lined with people all having a good time. On Fri and Sat night the street was blocked off for a street party that has bands for the riders and town folks enjoyment. I would like to thank Cheyann Habeck and the rest of the committee members that worked their butts off to make this a safe and good time. www.tomahawkfallride.com

I will be the first to admit that for the most part, I took the weekend off from the Free Riders Press, so I could enjoy and spend some time with my wife Lorie.

I did manage to be there for the wedding of Homelite and Trish. Wandering around talking to people, some I see all the time, others I haven't seen in years. That's what makes big runs so exciting for me every year is the unity of Brothers and Sisters. With vendors selling all kinds of goods, and music by the likes of Storm, Tuck Pence and Jimmy Van Zandt. Big thanks to Bubba and the crew for doing a great job at the track as usual. www.tomahawk-speedwayfallride.com If you didn't get a chance to go, there is always next year.
