Hello,

I am looking for those who would like to contribute to a great cause. My name is Roy Theide, an employee of Hal's Harley-Davidson & Buell In New Berlin, WI. A good friend of mine Jenny Addis was in a serious car accident that left her paralyzed. Jenny stayed positive throughout everything as she hoped to walk again. However 7 1/2 years later she is still paralyzed and is now facing overbearing medical bills. Her unselfishness and caring personality shines as she devotes her time to others while serving on the board of the Brian Reisch Paralysis Foundation. The Brian Reisch Paralysis Foundation helps to fund research that develops treatments and cures for paralysis caused by spinal cord injury and other central nervous system disorders; donating funds nationally to causes such as the Christopher Reeves Paralysis Foundation.

Jenny's family and friends have come together in efforts to ease the burden for jenny and create awareness for the Brian Reisch Paralysis Foundation by selling bike raffle tickets. Tickets are only \$20 a piece!

First prize is a 1998 Custom Harley Replica. Second prize is an Audioline Home Theater System and third prize is a 3-day bike rental from Hal's Harley-Davidson. The prizes will be raffled off on December 5th, 2004 at Matty's Bar & Grill in New Berlin, WI after the GB Packer game! For tickets please contact: Roy Theide roy.theide@halsHD.com
