The Lonely Few M.C. 16th Annual Toy Run was another success for Children's Miracle Network although the crowd was small. With donations from private individuals and many businesses alike, we raised more than 3,000 dollars and over 1,500 dollars in toys. There were about 50 bikes that were escorted by Santa and the Marshfield police department. (Thanks guys) Also a big thanks to all the local establishments with their help with getting donations and door prizes. It couldn't happen without all their help.

Choppers World

Since it is Christmas Time it is time for wishes. Here are my wishes for you all: May you only breakdown in your own driveway after a great day of riding.

In the year to come may you have enough.

May your troubles be small, and your solutions large.

May you only meet good positive people.

Live by the Golden Rule.

Laugh often, love much and be loved back.

Realize your potential, and live up to it.

Most of all, I wish you keep your wheels on the road, never take for granted God's wonderful world, and realize the wonder of a sunrise and sunset. Oh yes, if you drink, don't hesitate, DESIGNATE!! Karen

I look forward to writing this column, it is a real treat to be able to "converse" with so many people. I love to talk. I'd love to hear from you. E-mail me at chopper@meltel.net
