RIDERS

A man left for work one Friday afternoon. But, being payday, instead of going home, he stayed out the entire weekend partying with the boys and spending his entire paycheck.

When he finally appeared at home, Sunday Night, he was confronted by a very angry wife and was barraged for nearly two hours with a tirade befitting his actions. Finally his wife stopped the nagging and simply said to him. "How would you like it if you didn't see me for two or three days?"

To which he replied. "That would be fine with me." Monday went by and he didn't see his wife. Tuesday and Wednesday came and went with the same results. Come Thursday, the swelling went down just enough where he could see her a little out of the corner of his left eye.

A family is at the dinner table. The son asks his father, "Dad, how many kinds of boobies are there?"

The father, surprised, answers, "Well, son, there's three kinds of breasts.

In her twenties, a women's breasts are like melons, round and firm.

In her thirties to forties, they are like pears, still nice but hanging a bit. After fifty, they are like onions."

Onions?"

"Yes, you see them and they make you cry"

This infuriated his wife and daughter so the daughter said, "Mum, how many kinds of 'willies' are there?"

The mother, surprised, smiles and answers, "Well dear, a man goes through three phases. In his twenties, his willy is like an oak tree, mighty and hard. In his thirties and forties, it is a birch, flexible but reliable. After his fifties, it is like a Christmas tree."

"A Christmas tree?"

"Yes, dead from the root up and the balls are for decoration only."

"Do you always shower after you had sex?"

"Yes I do"

"Then I suggest you have more sex"

Why did the redneck have beer coming out of both sides of his mouth?

Because his trailer is level!

Two men are having an awfully slow round of golf because the two ladies in front of them managed to get into every sand trap, lake, and rough on the course, and they didn't bother to wave the men on through, which is proper golf etiquette.

After two hours of waiting and waiting, one man said, "I think I'll walk up there and ask those gals to let us play through." He walked out to the fairway, got halfway to the ladies, stopped, turned around and came back, explaining, "I can't do it. One of those women is my wife and the other is my mistress. Maybe you'd better go talk to them."

The second man walked toward the ladies, go halfway there and, just as his partner had done, stopped, turned around and walked back.

He smiled sheepishly and said, "Small World! "

Two tall trees, a birch and a beech, are growing in the woods. A small tree begins to grow between them, and the beech says to the birch, "Is that a son of a beech or a son of a birch?"

The birch says he cannot tell. Just then a woodpecker lands on the sapling.

The birch says, "Woodpecker, you are a tree expert. Can you tell if that is a son of a beech or a son of a birch?"

The woodpecker takes a taste of the small tree. He replies, "It is neither a son of a beech nor a son of a birch. It is, however, the best piece of ash I have ever put my pecker in."
