

World of Wheels at the State Fair Park in West Allis, WI was the hot spot to be during the weekend of Jan 12th, 2007. With a ton of custom cars, bikes, race cars and other activities like bicycle stunt riders, and a Nascar tire change station, this makes for a great family event. I enjoy looking myself at the Chevelles and Old Motorcycles. (Oh, ya) Brett from Milwaukee Bike Works and Colleen from Digital Magic Bigshots www.digitalmagicbigshots.com did a fantastic job getting all the bike owners to bring out their trophies in the cold to give us the attendees a good diverse selection to drel over. This year the show is January 11-14th www.autorama.com/casi/milwaukee .

Blue Max chairs are the ultimate for use with touring motorcycles. Remove from the case and use in a minute, as the chair expands into a full size quad chair. The case has an extra heavy-duty zipper and a velcro handle strap for ease in carrying to your next rally or hill climb. When folded into the case, only 17" long, 8" tall and 4" wide. The weight is under 8 lbs.

After long hours on your bike, the last thing that you want to do is sit on the ground.

The design is simple, light and as tough as possible. This high quality double layered 600 Denier Polyester chair is designed to fold into a compact, water resistant and zippered carrying case.
