One evening a husband, thinking he was being funny, said to his wife, "Perhaps we should start washing your clothes in Slim Fast. Maybe it would take a few inches off of your butt!!!"

His wife was not amused, and decided that she simply couldn't let such a comment go unrewarded. The next morning the husband took a pair of underwear out of his drawer.

"What the Hell is this??" he said to himself as a little "dust" cloud appeared when he shook them out.

"April," he hollered into the bathroom, "Why did you put talcum powder in my underwear?" She replied with a snicker, "It's not talcum powder.....it's' Miracle Grow'

ABATE MEMBER DISCOUNTS

An elderly couple was watching a Discovery Channel special about a West African bush tribe whose men all had penises 24 inches long. When the black male reaches a certain age, a string is tied around his penis and on the other end is a weight. After a while, the weight stretches the penis to 24 inches. Later that evening as the husband was getting out of the shower, his wife looked at him and said, "How about we try the African string-and-weight procedure?"

"The husband agreed and they tied a string and a weight to his penis. A few days later, the wife asked the husband, "How is our little tribal experiment coming along?"

"Well, it looks like we're about half way there," he replied.

"Wow, you mean it's grown to 12 inches?"

"No, it's turned black.

RIDERS

This blonde decides one day that she is sick and tired of all these blonde jokes and how all blondes are perceived as stupid. So, she decides to show her husband that blondes really are smart.

While her husband is off at work, she decides that she is going to paint a couple of rooms in the house.

The next day, right after her husband leaves for work, she gets down to the task at hand.

Her husband arrives home at 5:30 and smells the distinctive smell of paint. He walks into the living room and finds his wife lying on the floor in a pool of sweat. He notices that she is wearing a heavy parka and a leather jacket at the same time. He goes over and asks her if she is OK. She replies yes. He asks what she is doing and she replies that she wanted to prove to him that not all blonde women are dumb, and she wanted to do it, by painting the house. He then asks her why she has a parka over her leather jacket. She replied that she was reading the directions on the paint can and it said . "FOR BEST RESULTS, PUT ON TWO COATS"

There was a man who had worked all his life, had saved all of his money, and was a real miser when it came to his money.

Just before he died, he said to his wife... 'When I die, I want you to take all my money and put it in the casket with me. I want to take my money to the afterlife with me.'

And so he got his wife to promise him, with all of her heart, that when he died, she would put all of the money into the casket with him.

Well, he died. He was stretched out in the casket, his wife was sitting there - dressed in black, and her friend was sitting next to her . When they finished the ceremony, and just before the undertakers got ! ready t o close the casket, the wife said,

'Wait just a moment!'

She had a small metal box with her; she came over with the box and put it in the casket. Then the undertakers locked the casket down and they rolled it away. So her friend said,

'Girl, I know you were not foolish enough to put all that money in there with your husband.'

The loyal wife replied, 'Listen, I'm a Christian; I cannot go back on my word. I promised him that I was going to put that money into the casket with him.'

"You mean to tell me you put that money in the casket with him!'

'I sure did,' said the wife. 'I got it all together, put it into my account, and wrote him a check.... If he can cash it, then he can spend it.'
