BIKER TIPS:
 Attorney Joe Weigel of Weigel, Carlson, Blau & Clemens, S.C. of Milwaukee has been a biker for over 40 years. Here is one of his tips. Use it if it helps.
 If you store your bike for the winter; contact your local Independent Shop Association shop for any tips on storage. I never store my bike for the winter. It is always ready to go. Most years I'm able to ride at least some 11 months out of the year (usually cannot make it during February). A precaution I do take is to put "STABLE" in my gas tank starting in early November. That stabilizes the gasoline so it does not "go bad" while the bike is being stored. For example, last year we had early snow and continuing snow for a number of months. My bike stayed in the garage; but at least I had STABLE in the gasoline.
 GO TO YOUR LOCAL ISA SHOP TO GET ALL YOU NEED FOR YOUR BIKES WINTER NAP!
