A guy and a girl met at a bar. They started getting along really well

they decide to go to the girl's place for a drink.

A few drinks later, the guy took off his shirt and washed his hands.

He then took off his socks and washed his hands.

The girl looked at him and says: 'You must be a dentist!'

Flabbergasted, the guy responded 'Yes, that's amazing how did you figure that out?'

The girl said: 'Easy you keep washing your hands'

One thing led to another, they migrated to the bed and things became more passionate. After they were done,

the girl said: 'You must be a GREAT dentist!'

The guy was very very surprised, and said 'Yes, I sure am a great dentist ... How did you figure that out?'

The girl said: 'Easy ... I didn't feel a thing'

There was an elderly gentleman who was suffering from Alzheimer's. His wife of 40 years loved him very much, but she couldn't handle him any longer. He would wander about never knowing where he was or sometimes even who he was. She took him to a nursing home.

At the nursing home, while the wife was filling out paperwork, a nurse had the gentleman sit in a chair. Suddenly the man starting slowly leaning to his left. The nurse ran over and put a pillow on his left side to prop him up. A few minutes later, he started leaning to his right. Again, the nurse ran over and put a pillow on his right side. Then he starting leaning forward. This time, the nurse strapped him into the chair.

About this time, his wife, having completed the paperwork, walked up to him and asked, "How do you like the place?"

"It's okay," he said. "But, they won't let me fart!"

Virgin Olaf Swenson, out in his pasture in northern Minnesota, takes a lightning quick kick from a cow... right in his crotch.

Writhing in agony, he falls to the ground. As soon as he could manage, he took himself to the doctor.

'How bad is it Doc? I'm going on my honeymoon next week and my fiance Lena , is still a Virgin-in every vay.' The doctor told him, 'Olaf, I'll have to put your willy in a splint to let it heal, and keep it straight. It should be okay next week, but leave it in there as long as you can.' He took four tongue depressors and formed a neat little 4 sided splint, and taped it all together...quite an impressive work of art.

Olaf mentions none of this to Lena, marries her, and they go on their honeymoon to Duluth.

That night in the Motel 6, Lena rips open her blouse to reveal her beautiful, untouched breasts. 'Olaf... you are the first vun! No vun has EVER seen deez.'

Olaf immediately drops his pants and replies, 'Look at dis Lena, still in DA CRATE!'
