Any documentation trail would be nice to have for proof of problem or complaint of non problem as claimed by Polaris Industries. My 5 year warranty is no good and all they claim is rider problem. I've been riding for 55 years. Reminds me of Toyota problem. There has got to be more than one case out there that this has happened to. This is dangerous to everyone around.

Merry Christmas and a Happy New Year!

I don't buy Christmas cards from a store and off a shelf!
I just send this little 'Wish Poem' that I wish for you. (And myself):

A MERRY CHRISTMAS! and a HAPPY NEW YEAR TOO!

I wish we see 100 more - before we go to heaven!

And I wish the WORST of your 2012 be the BEST of your 2011!

One more wish I'll make for us - If we get it we'll be SET!

May the most of all we wish for - be the LEAST of what we get!

Bingo

they will share their love of the sense of freedom their motorcycles give them, and take in the scenery of the Black Hills. There are 7.7 million motorcycles registered in the U.S., with California home to about every 10th bike in the country. You can find these and more facts about America from the U.S. Census Bureau, online at www.census.gov. Profile America is produced by the Public Information Office of the U.S. Census Bureau. These daily features are available as produced segments, ready to air, on a monthly CD or on the Internet at <http://www.census.gov> (look for "Multimedia Gallery" by the "Newsroom" button). www.ON-A-BIKE.com

Here are a couple of upcoming bikers from the 2011 Chicago Motorcycle Show
