Jimmy Ray is passing by Billy Bob's equipment shop one day

when, through a gap in the door, he sees Billy Bob doing a slow and sensual striptease in front of an old John Deere tractor.

Buttocks clenched, he performs a slow pirouette, and gently slides off first the right strap of his overalls, followed by the left. He then hunches his shoulders forward and in a classic striptease move, lets his overalls fall down to his hips, revealing a torn and frayed plaid shirt.

Then, grabbing both sides of his shirt, he rips it apart to reveal his stained T-shirt underneath.

With a final flourish, he tears the T-shirt from his body, and hurls his baseball cap onto a pile of hay. Having seen enough, Jimmy Ray rushes in and says, "What the world're ya doing, Billy Bob?"

"Good grief, JR, ya scared the bejeebers out of me," says an obviously embarrassed Billy Bob."

"But me 'n the wife been havin trouble lately in the bedroom d'partment, and the therapist suggested I do something sexy to a tractor."

While I was working as a store Santa, a boy asked me for an electric train set. "If you get your train," I told him, "your dad is going to want to play with it too. Is that all right?" The boy became very quiet. So, moving the conversation along, I asked, "What else would you like Santa to bring you?" He promptly replied, "Another train."

A man with a wooden eye goes to a dance. But of course, no women want anything to do with him. But then, he spots a pretty gal with a hairy lip. He decides that his chances are good and goes up to talk with her. He says "Excuse me mam, would you care to dance?" She seemed stunned and replied "Would I? Would I?" The man angrily shouts "Hairy lip! Hairy lip!"

The maths teacher saw that little Johnny wasn't paying attention in class. She called on him and said, Pappu! What are 4, 2, 28 and 44? Little Johnny quickly replied, Cartoon Network, Ten Sports, Discovery Channel and Pogo!

While on patrol, I arrested a burglar who'd injured himself running from a home. He told me he'd broken in and unhooked the phone before searching for valuables. But he'd panicked when he heard a woman's voice. I entered the house and heard the same voice: "If you'd like to make a call, please hang up and try your call again."

Got my gun permit yesterday, then went over to the local gun shop to get a small 9mm for home protection. When I was ready to pay by credit card for the gun and bullets, the cashier said, "Strip down, facing me."

Making a mental note to complain to the NRA about the gun control wackos running amok, I did as she had instructed.

When the hysterical shrieking and alarms subsided, I found out she was referring to how I should place my credit card in the card reader.

I've been asked to shop elsewhere in the future.

They need to make their instructions to seniors a little clearer.
