## Lonely Frog

A lonely frog telephoned the Psychic Hotline and asked what his future holds. His Personal Psychic Advisor tells him: "You are going to meet a beautiful young girl who will want to know everything about you."

The frog is thrilled, "This is great! "Will I meet her at a party?" he croaks.

"No," says the psychic, "in biology class."

Dear John...

A Marine stationed in Iraq recently received a "Dear John" letter from his girlfriend back home. It read as follows:

Dear Ricky,

I can no longer continue our relationship. The distance between us is just too great. I must admit that I have cheated on you twice, since you've been gone, and it's not fair to either of us. I'm sorry. Please return the picture of me that I sent to you. Love, Becky

The Marine, with hurt feelings, asked his fellow Marines for any snapshots they could spare of their girlfriends, sisters, ex-girlfriends, aunts, cousins etc. In addition to the picture of Becky, Ricky included all the other pictures of the pretty gals he had collected from his buddies. There were 57 photos in that envelope...along with this note:

Dear Becky,

I'm so sorry, but I can't quite remember who you are. Please take your picture from the pile, and send the rest back to me.

Take Care, Ricky

## SENILE

Three sisters, ages 92, 94, and 96 live in a house together. One night the 96 year old draws a bath. She puts one foot in and pauses. She yells down the stairs, "Was I getting in or out of the bath?"

The 94-year-old yells back, "I don't know. I'll come up and see." She starts up the stairs and pauses. Then, she yells, "Was I going up the stairs or down?"

The 92 year old is sitting at the kitchen table having tea, listening to her sisters. She shakes her head and says, "I sure hope I never get that forgetful.." She knocks on wood for good measure. She then yells, "I'll come up and help both of you as soon as I see who's at the door."

# RIDERS

Doctor Dave had sex with one of his patients and felt guilty all day long.

No matter how much he tried to forget about it, he couldn't.

The guilt and sense of betrayal was overwhelming.

But every once in a while he'd hear an internal, reassuring voice that said: "Dave, don't worry about it. You aren't the first doctor to sleep with one of their patients and you won't be the last. And you're single. Just let it go".....

Yet, invariably, the other voice would bring him back to reality, whispering....

"Dave...you're a vet!"

## Blonde Jigsaw

A blonde lady calls her boyfriend and tells him in an excited voice, he must come over immediately and give her a hand with this killer jigsaw puzzle she just got. "It's awesome" she tells him, "hurry on over, I can't wait to get started!"

"What is it supposed to be?" he asks. "Well the picture on the box is a tiger." she replies. "It is very complicated and I can't find any starting pieces, hurry up!"

He agrees to come over and heads to her house.

When arrives she meets him at the door very excited. Taking him by the hand she leads him into the kitchen where the pieces are spread out over the table. Standing in front of the table squeezing his hand she says in a very excited tone, "Isn't this going to be great?"

Looking at the table, the boyfriend sighs, gives her hand a squeeze and says "Babe, After we drink the coffee, we will put all these Frosted Flakes back in the box."

## Computerized Airliner

The world's first fully computerized airliner was ready for its maiden flight without pilots or crew. The plane taxied to the loading area automatically, its doors opened automatically, the steps came out automatically. The passengers boarded the plane and took their seats. The steps retreated automatically, the doors closed, and the airplane taxied toward the runway. "Good afternoon, ladies and gentlemen," a computer voice intoned. "Welcome to the debut of the world's first fully computerized airliner. Everything on this aircraft is run electronically. Just sit back and relax. Nothing can go wrong ... Nothing can go wrong...nothing can go wrong...."

## The Flight Attendant

An airline's passenger cabin was being served by an obviously gay flight attendant, who seemed to put everyone into a good mood as he served them food and drinks.

As the plane prepared to descend, he came swishing down the aisle and announced to the passengers, "Captain Marvey has asked me to announce that he'll be landing the big scary plane shortly, lovely people, so if you could just put up your trays that would be super."

On his trip back up the aisle, he noticed that a well-dressed rather exotic looking woman hadn't moved a muscle.

"Perhaps you didn't hear me over those big brute engines. I asked you to raise your crazy-poo so the main man can pat-pat us on the ground."

She calmly turned her head and said, "In my country, I am called a Princess. I take orders from no one."

To which the flight attendant replied, without missing a beat, "Well, sweet-cheeks, in my country, I'm called a Queen, so I outrank you. Tray-up bitch."

## NURSING HOME

One evening a family brings their frail, elderly mother to a nursing home and leaves her, hoping she will be well cared for. The next morning, the nurses bathe her, feed her a tasty breakfast, and set her in a chair at a window overlooking a lovely flower garden. She seems OK, but after a while she slowly starts to lean over sideways in her chair.

Two attentive nurses immediately rush up to catch her and straighten her up.

Again she seems OK, but after a while she starts to tilt to the other side.

The nurses rush back and once more bring her back upright.

This goes on all morning. Later the family arrives to see how the old woman is adjusting to her new home. "So Ma, how is it here? Are they treating you all right?" they ask. "It's pretty nice," she replies. "Except they won't let you fart."
