Polar Bear Jump 2005

While in Milwaukee over the new year, one of the brothers told me that he and a couple of friends were going to ride down to Lake Michigan for the annual jump in to the lake. Well call me chicken, but all them people that jump in are NUTS. Brother Dawg jumped for the 14th time. Hope your found the old sack again you guys. It was cool to see the hardcore riders out on New Years Day. Hope everyone had a great New Year. Now we can all think Spring!
