

Todd Curtis Customs or better known as TC Customs is solely owned and operated by Todd and Amy. Located on Velp Ave. in Green Bay, WI 54303. You can find us off Hwy 41, Velp Ave. exit and head East until you see TC Customs on the left side about 2 blocks past Military. Todd has expertise in Harley Davidson, V twin motorcycles, and custom builds since 1996. His first custom bike build was a 1976 Sportster which he bought in five gallon buckets when he was 16. After that he could not stop, and started wrenching and building bikes out of a shed in his parents back-yard. He soon moved to Green Bay and started a shop out of his garage building Harley's, service, parts & repair while working a full time job during the day. From there being as eager and driven that he is, he took the only money he had to pay his 1st months lease and his loyal customers and started TC Customs. TC Customs has been in business since March of 2002 and going strong.

TC Customs offers excellent service, awesome deals on new and used parts, and superior quality on custom builds, as well as having a fine line of clothing and accessories.

We are always willing to help out in any way we can so feel free to stop in, call, fax, or email us with any questions or concerns. Feel free to visit our website
