

Dec. 13th, 2008

For 14 years, the DC Eagles MC have been gathering toys for the Children's Hospital of Wisconsin Fox Valley. This year's event was held at Mr. G's in Appleton and the toys were in abundance, as were the Brothers and Sisters all there doing what they do best. Partying, having fun and usually raise money, toys or awareness while doing it. Thanks to the DC Eagles for their hospitality, Michael Murphy for the tunes and everyone in attendance for helping to make the riding community look a little better at the same time.
