A blonde calls her boyfriend and says, 'Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started.'

Her boyfriend asks, 'What is it supposed to be when it's finished?'

The blonde says, 'According to the picture on the box, it's a rooster.'

Her boyfriend decides to go over and help with the puzzle.

She lets him in and shows him where she has the puzzle spread all over the table.

He studies the pieces for a moment, then looks at the box, then turns to her and says,

First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster.'

He takes her hand and says, 'Second, I want you to relax. Let's have a nice cup of tea, and then ...' he said with a deep sigh, . . .

'Let's put all the Corn Flakes back in the box.'

Three friends from the local congregation were asked, 'When you're in your casket, and friends and congregation members are mourning over you, what would you like them to say?'

Artie said: 'I would like them to say I was a wonderful husband, a fine spiritual leader, and a great family man.'
Eugene commented: 'I would like them to say I was a wonderful teacher and servant of God who made a huge difference in people's lives.'

Al said: 'I'd like them to say, 'Look, he's moving!'

A man goes to see the Rabbi. 'Rabbi, something terrible is happening and I have to talk to you about it.'

The Rabbi asked, 'What's wrong?'

The man replied, 'My wife is poisoning me.'

The Rabbi, very surprised by this, asks, 'How can that be?'

The man then pleads, 'I'm telling you, I'm certain she's poisoning me, what should I do?'

The Rabbi then offers, 'Tell you what. Let me talk to her, I'll see what I can find out and I'll let you know.'

A week later the Rabbi calls the man and says, 'Well, I spoke to your wife. I spoke to her on the phone for three hours. You want my advice?'

The man said yes and the Rabbi replied, 'Take the poison..'

Fred and Mary get married but couldn't afford a honeymoon, so they go back to Fred's Mom and Dad's house for their first night together.

In the morning, Johnny, Fred's little brother, gets up and has his breakfast.

As he is going out of the door to go to school, he asks his mom

if Fred and Mary are up yet.

She replies, 'No.'

Johnny asks, 'Do you know what I think?'

His mom replies, 'I don't want to hear what you think! Just go to school.'

Johnny comes home for lunch and asks his mom,

'Are Fred and Mary up yet?'

She replies, 'No.'

Johnny says, 'Do you know what I think?'

His mom replies, 'Never mind what you think! Eat your lunch and go back to school.'

After school, Johnny comes home and asks again,

'Are Fred and Mary up yet?'

His mom says, 'No.'

He asks, 'Do you know what I think?'

Jane initially met Tarzan in the jungle, she was attracted to him, and during her questions about his life, she asked him how he had sex?

"Tarzan not know sex" he replied. Jane explained to him what sex was.

Tarzan said "Oh,....Tarzan use knot hole in trunk of tree."

Horrified Jane said, " Tarzan you have it all wrong, but I will show you how to do it properly."

She took off her clothing and laid down on the ground. "Here" she said, pointing to her privates, "you must put it in here."

Tarzan removed his loin cloth, showing Jane his considerable manhood, stepped closer to her and kicked her in the crotch!

Jane rolled around in agony for what seemed like an eternity. Eventually she managed to gasp for air and screamed "

What did you do that for ?"

Tarzan replied, " Just checking for squirrel..."

HUMOR

In school one day, the teacher decided that in science class she would teach about the elements. So she stood in the front of the class and said, "Children, if you could have one raw element in the world what would it be?" Little Stevie raised his hand and said, "I would want gold, because gold is worth a lot of money and I could buy a Porsche."

The teacher nodded and called on little Susie.

Little Susie said, "I would want platinum, because platinum is worth more than gold and I could buy a Corvette"

The teacher smiled and then called on Little Johnny. Little Johnny stood up and said, "I would want silicon."

The teacher said, "Why Johnny?"

He responded by saying, "Because my mom has two bags of it and you should see all the sports cars outside our house!"

I once took a sex-education class in college and a funny thing happened one day.

The professor arrived and said we'd be discussing positions that day and asked us how many positions did we know. I sat there too embarrassed to speak but one gal a couple of seats over said, "Twelve."

The professor nodded approval but as he got ready to call on another student, there was a loud call from the far back row of the 150 seat auditorium, "A hundred and one."

The little professor looked over his thick glasses but couldn't make out who had spoken. Finally he called on a fellow down in the front row who replied, "Seven."

And once again from the very back was heard, "A hundred and one."

Finally he called on a very shy lady sitting next to me. At first she acted like she wasn't going to answer.

Finally she said, "Only one, sir."

And the professor said, "Well young lady that is unusual. And what position would that be?"

"With the man on top and woman on the bottom," she replied. From the back of the room came that same voice, "A hundred and two!"
