Slowly, and with a tear in his eye, Jaysee turned and walked out of another dead

Church into the parking lot. This was not what Church was supposed to be, and they all knew it. They hadn't even made it to the sermon, but Jaysee knew that it would be about how to get God to do stuff for you or make your life prosperous, forgetting the actual Words recorded in Scripture. Words that tell people how to be rich, not get rich. How God wants to work through you, not work for you. He wants to save us from a fiery hell, and give us heaven's riches by repentance and faith in the Lord Jesus Christ. And that part about the Son of God who took OUR sin upon Himself, and gave us His robe of righteousness to wear into God's presence, so that we could stand before a Holy God. The riches of this world will fade away, but the real riches we receive from Him are spiritual, not physical. The gold of this world is the pavement of heaven. The precious jewels are building materials. As Jaysee kicked his Harley to life, he looked around at his friends coaxing their bikes into action, and he realized what really makes a man rich.
